What makes a Wizards show “awe-inspiring” or as the kids and teens say, “off the hizzle?” Some say it’s the oohs and aahs created by the thunderous, sky-high slams. For others it’s the humor and seeing the teachers being good sports and having fun on the court with the Wizards. The comedy, the audience participation, the spontaneity delivered as a world class show, in an intimate and community setting adds up to a night to be experienced and treasured.

Don't forget to pick up your Wizards souvenirs!
