

Greetings,

On behalf of myself and the United States Navy, thank you for working so diligently throughout the school year to ensure the brightest future for your students. I sincerely appreciate your hospitality and look forward to working with your organization and your up-and-coming scholars in the future.

Last year, under our Naval Reserve Officer Training Candidate Scholarship program we had the opportunity to award 57 of the best students from the western Pennsylvania, West Virginia and Upstate New York area over \$11,500,000 in full ride scholarships. This year we are anticipating honoring even more students with this opportunity.

Again, thank you so much for everything that you do for our youth. This highly competitive and prestigious award is only granted to the top tier of high school students in the nation. This scholarship provides full-tuition worth up to \$200,000 at over 160 leading colleges and universities, as well as a monthly stipend to the student.

It would be my privilege to coordinate a date and time for myself or someone from our team to conduct NROTC presentations for your junior and senior classes. The application process opens on April 1, 2025!

Best regards,

Courtney Caldwell
