Impact on Education Award Winner, Jill Haro

This week we celebrated our [Impact on Education](#) Award winner, our beloved Campus Monitor, Jill Haro. Please, join me in congratulating and celebrating Jill! [Jill epitomizes our Fairview High School mantra, "Our Community Cares."](#) We are grateful and thankful for the many ways Jill serves and supports our students, staff, and community. ***Jill, we appreciate you!***

Great Works Concert, Bravo!

Bravo! Wow! Our Fairview High School Great Works Concert was an extraordinary experience for our community! On behalf of the entire school, I want to extend my heartfelt thanks to Talise Chandler, Travis Keller, Lee Anderson, and everyone who contributed their talents, time, and energy to create such an exceptional musical performance.

It's rare in our lifetimes to witness the level of talent and artistry that was shared with us during the Great Works Concert. Each note, every movement, and all the hard work that went into this production were evident in the incredible performance we saw on stage. The dedication and passion that our students, teachers, and staff put forth were truly inspiring, and the impact on our families and community will resonate far beyond the concert.

Congratulations on an exceptional performance! I am incredibly proud of each and every one of you.

It is an honor to serve as your principal, and I look forward to seeing even more amazing accomplishments from our talented community.

Dr. Scarlet Chopin

Principal, Fairview High School
