BOYS' BASKETBALL

The Oxford Charger Basketball program had another successful season to continue with its winning tradition. The Chargers showed their skills by winning the district tournament, the north half tournament, and going to the state tournament. Seniors Lataryl Williams, Chad Hill, and Andros Thompson left the upcoming seniors a challenge, to keep the Charger Pride with which they played in the 95-96 season. Coach John Sherman said, "We got to the Big House, but didn't open the door of opportunity. The Charger Roundballers have progressed each year up the ladder of success. The 96-97 edition will strive to take the final step."

CROSS COUNTRY

.....

Although in a rebuilding year, the Lady Chargers finished second in the State Championships. Another highlight was a fifth place finish in the prestigious Vulcan Classic in Birmingham. Leadership from the experienced runners enabled them to recover from a shaky start at the beginning of the year to finish strong at the state meet. With continued work and dedication, they show great promise of returning to State Championship form.

With the loss of state champion Thomas Blackwell from last year's team, the boy's

were not expected to do well this year. They also battled injuries all year. With determination and great effort from all the runners, they were able to place high in several meets and capped the year with a second place finish in the State Championships.

Though both teams were very disappointed to finish second in the State Meet, they have high expectations of continued improvement and reaching the gold at the State Championships next year.

SOCCER

The 1995-1996 team motto was "In Pursuit of Excellence". The 11-2 season was the result of this "Pursuit" made by the players. Heart, Emotion and Love for the Game were characteristics that led the team on a year which almost achieved the ultimate goal. From the first cold night of Cleveland to the final cold day in Clinton this years team battled all odds to become winners worthy of RESPECT. This years team established a standard for the soccer teams of OHS to chase after the future. I am proud of the team for their dedication and commitment to the team and the sport. To the seniors, I would like to say that your past years of hard work payed off and I hope that the Juniors, Sophomores, and Freshmen realized what this year meant especially to you.

I, like you, will surely never forget "On Net" and "1-2-3-In Pursuit of Excellence."

Slowly but surely they climbed back into the win column with solid performances throughout the year. A late season run with 3 victories at Ocford, Pontotoc, and Tishomingo. With expectations and confidence running high, the season came to an abrupt halt with a heartbreaking loss in the district tournament. The '95-'96 Varsity Cheerleaders had a very successful year accomplishing many things even at times without a sponsor. The squad did very well at camp earning all superior ribbons, spirit sticks every night, and an overall superior trophy. Oxford placed fourth in the Camp Dance Competition and had a record of six all-star cheerleaders: all of the seniors.

Next the squad cheered

the football team on all the way to North Half, not to mention the great "BEAT LAFFAYETTE" pep rally. After football season the cheerleaders practiced a routine for several weeks and captured third place in the first annual MHSAA cheerleading competition in Southaven. They ended the year by cheering for both the boys' and girls' basketball teams in the state playoffs in Jackson.

The Wizard of Oz

About the Play...

One of the true classics of American literature, *The Wizard of Oz* has stirred the imaginations of young and old alike for almost a hundred years. Originally published in 1900, it was the first truly American fairy tale, as L. Frank Baum crafted a wonderland out of such familiar items as a cornfield, a scarecrow, a mechanical woodsman, and a humbug wizard who used old-fashioned hokum to express that universal theme, "There's no place like home." Between 1901 and 1902, Baum provided the book and lyrics for a stage adaptation of *The Wizard of Oz*. A Chicago composer, Paul Tietjens, added the music and W. W. Denslow designed the costumes and "scenic color effects." In 1939 MGM produced the film version, which is now considered by many to be the most popular film of all time. Since 1939, many stage versions have been based on the film and its songs. In the 1970's the original story gave birth to an off-Broadway musical, *The Wiz*, which was later filmed.

The Oxford High School Gospel Choir, now in it's third year, is continuing to grow in the Oxford community. The choir, under direction of Ms. Yvonne Jones and Mr. LeVert Hawkins preforms at area churches and other local events. The choir consists of sixty high school students ranging from grades 9-12 who work very hard and devote lots of time and effort to making this choir a successful one. Ms. Jones and Mr. Hawkins began the choir in the 1993-1994 school year. One of the hardest tasks the choir had to overcome was performing for the entire student body; however, they were very complimentary.

They that hope in the Lord will renew their strength,
They will soar as with eagles' wings;
They will run and not grow weary,
walk and not grow faint."*

LETTER EDITOR'S CLOSING

The 1996 school year brought many changes to Oxford High School. A new principal, block schedule, tech prep . . . we even did the yearbook on the computer. We tried many new ideas this year and I hope you find them a change for the better. The aim of the *1996 Flashback* staff was to capture a portrait of our generation, and to show that the more things change, the more they stay the same. I would like to thank the Yearbook Staff for the work they did. It's been interesting. . . and even kind of fun! I hope this yearbook brings many wonderful memories that you will cherish always.
