Dedication

After much consideration, the 1995 Annual staff came up with the idea to dedicate this year's annual to the Class of '95. Although they stayed quiet their freshmen and sophomore years, during their junior year they took it upon themselves to bring the Charger spirit back to OHS. The senior class Rocks! This Class has done more than their fair share of bringing recognition and achievement to OHS. They will soon go their separate ways, but will always remember those never-seeming-to end years they spent together. From friends they made and some lost, and the teachers who put knowledge into their heads, this group of kids won't ever be forgotten!

The Chargers rounded 'em up and shot 'em down during OHS in the West. While the football players were preparing for the big game, students spent many hours stuffing chicken wires and designing hall decorations. The Class of '95 kept the spirit alive and won the chicken wire competition for the second year. The Class of '97 won hall decorations once again. Charger spirit was at a maximum this year as Oxford High School saw it's most successful Homecoming ever!

On The Gridiron

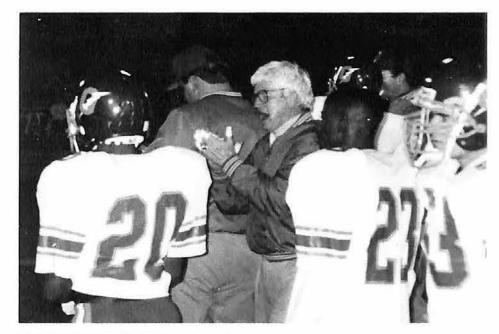

nce again the Charger football team had a great season. With South Panola being the only loss, the Chargers went on into the second round of the playoffs where they were defeated by Louisville. The highlight of the season was on November 4th when the Chargers beat the Commodors 13-10. Anyone who attended that game could describe that clinching feeling as the game progressed. There were tears of joy and sore throats from screaming. It was a game well-played and well-remembered. Thanks for a great season!

On The Rebound

The Oxford Charger Basketball Team had a season to remember as they went on a 28 game winning streak during the regular season. This was a remarkable accomplishment considering the level of competition the chargers faced which included perennial powerhouses such as New Albany Mooneville, Potts Camp, Alcorn Central, Corinth, and many others. The Chargers made it to the north half playoffs for the first time in several years and came up short on their bid to return to Jackson and the state tournament. The standard has been set and with only two seniors graduating the future is bright for Charger Basketball.

State Champions 1990 1991 1993 1994

The Oxford High School Girl's Cross Country team continued their winning ways this year by claiming their second State Championship in the past five years. They were led by senior Emily Kahler who also was the Individual State Champion. The girls placed five on the All-State Cross Country team. They were Emily Kahler, Christin Guest, Holly Prater, Whitney Haney, and Stephanie Kahler. The girls continued the tradition of hard work and dedication to reach their goal of being State Champions. In addition, the girls also won the Mississippi State University Invitational and the Amory Invitational. They were second in the prestigious Vulcan Classic in Birmingham, AL. They have established a tradition of excellence that is matched by few programs anywhere. Since finishing third in their first year in 1989, the girls have finished second twice and been State Champions four times.

State Champions 1993

Although they failed to defend their State Championship, the Oxford High School Boy's cross country team was successful in what could be called a "rebuilding" year. Having lost three outstanding seniors and five of the top seven, the boys could have easily accepted defeat and waited until next year. However, they worked extremely hard and with strong senior leadership from Thomas Blackwell and Seth Martin. the boys finished the year by placing second in the State Championships. The boys have never finished lower than thrid any State Champions since beginning the program in 1988.

urrently we have a 3-6 record but the record does not reflect the potential nor the progress we have achieved. Five of the six losses have come from teams who are more experienced and physically superior. We have made great strides in learning more about the game as well as learning more about the game as well as learning how to compete. We have a young and talented group offensively and an experienced senior defense which will definitely be missed next year. In closing, I will say what a coach is never to say, and that is we will win the remaining five games of the year putting us of the 500% mark.

he Oxford Lady Charger Softball team had a good season, although the records may not indicate it. In many game situations the team as a whole did not play up to their potential. We are looking forward to the coming season, hopefully we will minimize costly the and errors have a better season.

The Oxford High School Golf Team, led by senior Lee Notestone and juniors Josh Harris Denny Tosh, captured the district championship for the third year in a row. The golf team made its annual trip to Jackson where it placed fifth in the state which distinguished the OHS golf program as the only scholl in the class 4A to finish in the top five in the state for the last ten years.

The OHS tennis team continued the tradition of being one of the best teams in the state with a third place finish in the State Tennis Tournament. The Chargers were led by Sara Love Swaney who won her third state singles title in a row and completed the year undefeated. Seniors Kelley King, Ginny Smith, Caroline Christman, and Miriam Hobbs provided the attitudes and hard work throughout the year that it takes to be champions. They will be hard to replace. Every member of the team contributed in varsity matches a some point during the season which ended with 10 wins against 6 loses. The Chargers were also runners-up in the district championships.

The Hugh O'Brian Youth Leadership Foundation is a seminar for outstanding sophomores. To receive this award the student musst submit an essay to be judged. Upon receiving this honor the student attends the HOBY conference with other sophomores from Mississippi. These students learn leadership abilities which can be applied throughout high school.

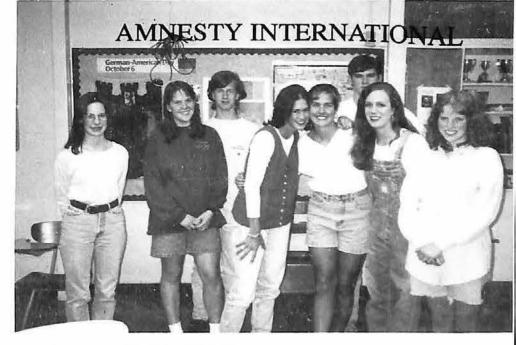

HOBY

MOCK TRIAL

"The court will now come to order. . .", the high school mock trial court, that is. Students from Oxford High School competed against 60 high school teams from across the state in the 1995 High School Mock Trial Competition. Oxford High School participates in the Northern Regional Mock Trial Competition conducted at the University of Mississippi. The competition, sponsored by The Mississippi Bar Young Lawyers Division and financially assisted by the Interest on Lawyers Trust Account of the Mississippi Bar Foundation, promotes greater understanding of and appreciation for the law, court procedures and the American judicial system. Team members include front row from left, Julie Rosser, Anna Kate Eftink, Alden Mahler, Katie Sumners, Will Vaughn and coach Stacy Goss. Second row from left are teacher sponsor Ed Sharpe, attorney coach Marjorie Hankins, Lynne Dingerson, Chris Davis, Lynn Morrison and Brian Davis.

Amnesty International is organized to make the students at OHS aware of human right abuses ocurring around the nation and the world. The organization is open to all OHS students. Members are, from left to right: Kim Hale, Alden Mahler, Will Vaughn, Sally Oliphant, Ginny Smith, Nathanial Rushing, Bettina Gayken, and Jennifer Hackett. Not pictured: adviser, Hanne Gaycken.

Seniors

Our highschool days are gone forever. The halls we decorated, the proms and Spring Flings we had - after each event a part of us was left behind. Pep rallies, football and basketball games... The teachers who tried to put some knowledge into our heads are what we remember, but most important are the faces of our classmates of '95.

We Were

JUNIORS

As we leave these familiar halls, we give you the Class of '96, The traditional responsibility of seniors to keep OHS alive and breathing. Next year should be the year you not only want to make the most and to mean the most, but the year you want to do the most for your school, team, and classmates.

Buy this cooling system, and get this heating system absolutely free.

In summer, it's a clean, efficient cooling system. In winter, it can save you as much as 50% on your heating bill. And, when it's installed by a member of our Quality Contractor Network, you'll be eligible for low-interest financing with no money down. So call us for more information about the year-round advantages of the high-efficiency electric heat pump. Not only is it the hottest thing in cooling systems. It's also the coolest thing in heating systems.

In Memory of

Patrick Shaw

Who is missed by his friends and classmates

One More Thing...

Another year is over, another yearbook completed. I can't help but feel excited and sad at the same time. I have so much to look forward to and so many memories to leave behind. These past three years of yearbook staff have been great and I will miss it very much. I would like to thank Mrs. Wells for everything. She is a great advisor, teacher, and friend. I would also like to thank all of the staff members who worked really hard and did their job to make this book. I hope everyone likes it.
