PRINCIPAL'S REPORT:

- Congratulations to the Lowellville Class of 2025 Valedictorians Kyle England, Kenzie McCormick, Hadassah Rivera, Elizabeth Rossi and Salutatorian Geno Perry
- On Thursday, February 13th, Mr. Hammond and Mrs. Parry took the attendance challenge winners for December and January on a bowling trip. The senior class had the overall lowest absences, and four seniors met the challenge by having less than 11 hours of absences. The winners by grade were Seniors (with less than 11 hours of absences): Elizabeth Rossi, Connor Anderson, Nick Donatelli, and Morgan Lewis.
- Also on Thursday, students in grades 7-12 who earned all A's and B's on their second-quarter report cards were invited by Mr. Hammond, Mrs. Parry, and Mrs. Sawicki to a special "Breakfast of Champions." Students enjoyed waffles with a variety of toppings, sausage, and juice as a reward for their hard work.
- In the classroom our teachers have been using Pathful Connect, a program that connects students with a wide range of industry professionals for live zoom presentations and Q&A sessions. This gives students the chance to explore countless career options, hear real-world experiences, and ask questions about different career paths. For example, we've had sessions with a forensic pathologist and a former government official speaking on humanitarian aid—just two of the many professionals available across various industries to inspire and guide our students.
- Kindergarten Registration for Lowellville District Resident Students was held Feb 10th to to February Feb 13th . At this time we have 15 district students registered for Kindergarten.

COMMITTEE REPORTS:

1. Building, Grounds, and Safety Committee
 - a. The committee met on January 15, 2025 at 4:00 p.m.
 - b. Agenda Items
 - i. Building and Grounds - Project Updates, Maintenance, and Needs
 - ii. Building and Grounds- Estimated Budget Available for Work to be Completed at This Time
 - iii. Building and Grounds- Estimates for Work to be Completed
 - c. There was a lot of good information provided by Treasurer, Ms. Apisa regarding funds that the district has available, estimates that the district has received thus far, a review of the identified projects that need to be taken care of versus the items that may still be on the wish list. We would like to schedule a work session for the entire Board to discuss further and determine recommendations on how to move forward.

Discussion:

- Ms. Apisa reported that she has been working to secure price estimates for various projects that the Board has mentioned in the previous committee and/or Board meetings.
- Ms. Apisa reported that the bid opening for the track was held yesterday and the bids ranged from \$119,000- \$170,000. She plans to follow up with a few questions before awarding the bid.
- Ms. Apisa informed the Board and audience that as we move through the process of conducting projects that there may be differences in the bid process for schools, villages, townships, etc.
- Ms. Apisa reported that she reached out to Hively to secure more specific estimates for total costs of items previously discussed (buildings and grounds projects).

MISSION

The Lowellville Local School District will educate, empower and challenge our students to reach their individual potentials by providing an environment where tradition, community and excellence create productive members of a global society.

- Ms. Apisa reported that she pulled information for debt issuances. Currently, she is comfortable with a \$3 million debt issuance. This would require the district to make an estimated yearly payment of \$190,000. This still leaves the district with funds for emergencies. The district does receive about \$250,000 a year from the levy but that will be gone soon. The Board will need to consider many things including wants, needs, and financials of the district before making any final decisions on projects and timeline of work to be done.

OLD BUSINESS:

1. None

Once approved by the commission, Ms. Apisa will begin working on gathering the items that can be destroyed. She will bring the list of items to the Board to approve before she moves forward with destroying them.

3. Mr. Dubos commented that the new podcasts created by Mr. Hammond are great. He would like to see them continue to be shared with our larger audiences (facebook, Parent Square, website). Also, Mr. Dubos commented that they are entertaining, quick and share informative information about the district.

ROLL CALL: Sturm- Wharry- Yon - Dubos- Johnson

Jennifer Johnson declared the motion carried 5-0

Discussion:

- Brian Wharry (BW) - What is the timeline/process to hire a new head football coach?
- Christine Sawicki (CS)- We have not had time to discuss that yet because we just received the resignation this afternoon.
- Joe Sturm (JS)- Can we add a board member to the committee? CS replied no because the hiring committee is outlined in the BOE approved athletic handbook. JS questioned why we can't do so since Board members used to be on the hiring committee. CS replied that BOE have not been on the hiring committees during her tenure and that they are following the process that has been BOE approved and the need to be consistent with the process when hiring all coaches.
- Jennifer Johnson (JJ) agreed with CS regarding the need for consistency of hiring coaches.
- BW wants to know why or where information shared during the interview process is coming from. He stated that information was out to the public that shouldn't have and/or the public knew information possibly faster than BOE members were updated on the process.
- Jerry Dubos (JD) commented that due to the Athletic director and principal having conflicts of interest with applicants for the head coach position they had to recuse themselves from the process. Assistant ADs were added. JD believes the athletic director and principal should have still been able to be a part of the committee but not have a vote. He stated that not having them on the committee does not make sense because there were not quality individuals who knew x's and o's.
- JJ stated that the process was appropriately followed and a quality candidate was chosen and hired. JD responded that "quality candidate" is a subjective decision.
- BW stated that there were a lot of issues that occurred. We need to position the individual for success. He commented that he was concerned with the initial pattern moving forward and that he had heard a lot of rumbling as to why the coach left.
- JS reiterated that he believes that some BOE and/or the BOE extracurricular/clubs committee representatives should be included in the interviewing process.
- Stephanie Yon (SY) stated that the BOE needs to trust the process that has been established as well as the vetting process. She notes the process went astray when information got out to those not on the committee. She had to hear comments (harassment) when individuals found out they did not get the job. This is not appropriate. She commented that when the process begins again, all individuals need to remain confidential. In the past politics have gotten in the way and we do not want that to continue.

MISSION

- JD commented that word was getting out from someone on staff. SY stated if that is the case, it is unnecessary and only hurting the students. JJ noted how it makes the district look bad when confidentiality is not kept.
- SY commented that she does not know why the coach resigned but if it was because people on staff and/or associated with the district did not make him feel welcome, then she is furious. This type of behavior sheds a bad look on the district. It's a shame how some candidates that did not get the job handled themselves professionally and others did not.
- JD doesn't understand why we can't put a BOE member on the hiring committee and also wondered about the purpose of why BOE members even have the committees.
- JJ notes that there needs to be a division. Otherwise, lines begin to blur and BOE members may revert back to politics.
- BW notes that he fully trusts the administration hiring staff and teachers but feels there should be someone with experience hiring coaches.
- JJ stated that we have an athletic director and two assistant athletic directors who are able to support hiring coaches. This time was an exceptional case due to the conflicts of interest with who applied.
- JJ and SY noted that CS has a lot on her plate and they are confident she will continue to follow the processes that have been outlined and utilized consistently during her tenure.
- BW asked how do we position the new coach to be successful?
- JJ responded to BW that the individuals CS and admin supervise will be held accountable (they will control what is within their purview) when necessary.
- CS wrapped up the conversation noting that the timeline to post the vacancy will be as follows: Internal posting will be placed from 2/20/25 to 2/28/25. Then, the external posting will be shared on the evening of 2/28/25. Interviews will be scheduled after the district begins to receive applications after the 2/28/25 posting.
