Welcome [DEIC Website](#)

Purpose of DEIC

District Calendar Information

Grant Updates

Future Meetings

Purpose of DEIC

To provide an opportunity for stakeholders to have a voice in the educational process of the district

All federal planning requirements go through DEIC

District improvement plan is developed, reviewed, and revised annually by the DEIC

At least two meetings per year; BISD schedules 4 meetings per year.

Purpose of DEIC

“Big Rocks”

- Developing and monitoring the District Improvement Plan (DIP)
- Developing recommendations for the Academic Calendar
- Monitor Federal spending
- Stakeholder Input

Developing the Instructional Calendar

Important Legal Guidance:

Each school year, a district shall operate for at least 75,600 *operational* minutes, including time allocated for instruction, intermissions, and recesses for students. EB(LEGAL)

The Student Attendance and Accounting Handbook defines operational minutes as the time from the first school bell to the last school bell (bell to bell).

In accordance with the District's innovation plan, the District is exempt from the state law that generally prohibits instruction for students from beginning before the fourth Monday in August. Instruction for students shall begin no earlier than the first week of August.
EB(LOCAL)

TEC 21.401 requires that teachers employed under a 10-month contract provide a minimum of 187 days of service.

Developing the Instructional Calendar

Waivers:

- Staff Development Minutes Waiver provides for a maximum of 2,100 total waiver minutes to use for professional development. Schools may choose to offer early release, late start, all day staff development or a combination. This waiver is for staff development in place of student instruction. The staff development minutes waiver may not be used prior to the first day of instruction or after the last day of student instruction.

Calendar feedback from DEIC on the 2024-25 BISD Calendar

Approved by Board of Trustees 12/11/2023; Updated 6/17/24
