

# NSD 80 Summer School

District 80 is proud to offer Summer School for students in district who will be in first – eighth grade in the 2025–2026 school year. The program runs June 9th–27th from 8:00am to 12:00pm at Leigh School. There will be no classes on June 19th, in observance of Juneteenth Day. The cost of the program is \$150.00 per student for the fourteen days of the program.

The program will cover reading, math, writing, and science skills based on the Illinois Learning Standards. Students will have the opportunity to take physical education and art education classes, too. A focus will be placed on social and emotional skills, socialization, and having fun!
