

# Half Hollow Hills Music Conservatory

Half Hollow Hills Music Conservatory is a district-sponsored program designed to recognize student commitment and achievement in musical performance and/or musical composition. The program includes academic, leadership, and performance-based components connected to our music curriculum.

The Conservatory will allow students the opportunity for and provide the skills necessary to prepare for a career in music and/or in entering a music college or conservatory. Through a rigorous and disciplined focus, students will participate in musical activities in performance and/or composition, self-reflection, historical context, and multiculturalism.

Graduates are prepared to begin an advanced degree in a competitive college environment. Students who choose to participate in the Music Conservatory will receive a strong foundation in musical concepts, and the skills necessary to move forward as independent, responsible, and self-directed learners. Students will gain the confidence needed to develop repertoire, take risks, and turn challenges into numerous possibilities for their future career choices.

Upon completion of the corresponding program requirements, students' transcripts will indicate a *Distinction in Music* or *Advanced Distinction in Music*. **The appropriate club advisors and your school counselor must sign the "Transcript Designation" application form, and the completed form must be submitted to your primary music teacher by April 9th.**
