The screenshot shows the top of the South Country Central School District website. The header features the district's name in large blue letters, with the tagline "A tradition of quality... A future of excellence" in red script below it. To the right of the header is a search bar and a date indicator showing "Saturday". Below the header is a dark blue navigation bar with white text and dropdown arrows for "Board of Education", "Schools", "Departments", "Resources", and "Calendars". The "Resources" dropdown menu is open, displaying a list of links: "Community Resources", "Family Engagement Center", "Parent Resources", "Staff Resources", and "Student Resources". The "Student Resources" link is highlighted with a dark blue background. To the left of this menu, within a white box, is the text: "Go to the District Website Southcountry.org Choose Resources, then Students Resources". A large red arrow points from this text towards the "Student Resources" link in the dropdown menu.

Virtual Manipulatives

The screenshot shows a user interface for a library. On the left is a vertical sidebar with sections: 'Things to Do' (showing a tablet), 'My Scores' (showing a test paper), 'My Library' (showing a book titled 'The POWER of Math'), and 'Mathen' and 'Science' (partially visible). The main area is titled 'My Library' and contains a search bar with a magnifying glass icon and the text 'Search Library'. Below the search bar is a message: 'Can't find it? Try searching the library. If you still can't find what you are looking for then ask your teacher to help.' The main area displays a grid of resource icons with labels: 'MIF Background Videos G2, 2015' (blue play button icon), 'Spanish Student Edition, G2' (book icon with 'Math Focus'), 'Student Workbook, G2' (yellow document icon), 'Spanish Student Workbook, G2' (yellow document icon), 'Professional Development Videos, G2' (blue globe icon with a graduation cap), 'Virtual Manipulatives, GK-2' (yellow document icon), and 'Student Edition, G2' (yellow book icon). A large red arrow points from the 'Virtual Manipulatives' section of the sidebar to the 'Virtual Manipulatives, GK-2' resource in the main grid.
