

**AIA / NFHS BRAINBOOK & OPIOID COURSE** All student-athletes must complete the Brainbook concussion & Opioid quiz. Students must pass with at least an 80% or must retake the quiz. Students need to upload the certificate indicating they have passed via RMA. Athletes are only required to complete the Brainbook & Opioid training once during their four year high school career.

To complete the Concussion Brainbook & Opioid Quiz:

1. Go to [www.aiaacademy.org](http://www.aiaacademy.org)
2. Click on the “Brainbook” or “Opioid” link at the top of the page.
3. Click register as a student on the sign in page.
4. Fill out the account creation information and click the appropriate school.
5. Select the sport you are taking the test for and also click any additional sports you may participate in. Then click register.
6. Once registration is complete – log in.
7. Complete the pre-quiz.
8. Athletes must answer all of the questions as they go from page to page through the course.
9. Click on and complete the other course (Opioid or Brainbook)
9. Save your certificate with both courses showing complete and upload it via Aktivite. (Athletes must pass with at least an 80% or must retake the quiz.)

The screenshot shows the footer of the AIA website. It features two main course cards: "Opioid Education" (The Game You Can't Win) and "Barrow Brainbook" (Concussion Education). Below these cards is a disclaimer: "In accordance with articles 41.2 (Opioid) and 41.3 (Concussion) of the AIA Bylaws, all student athletes shall complete the Opioid and Barrow Brainbook courses. All student athletes shall complete the courses prior to participation in practice or competition. Note: The online courses must be completed by a student athlete only once." At the bottom, there is a navigation menu with links for "AIAOnline.org", "AZPreps365.com", "NFHS Learn", "Privacy Policy", "Contact", and "FAQ". A large red arrow points directly to the "Contact" link.
