INSTRUCTIONS FOR PARENTS

Aktivate allows parents to register their athletes for sports online. Here are some basic steps to follow when registering your athlete for the first time: Go to registermyathlete.com

1. Login to Register, **Create an account:** Now begin creating your account by clicking the "Create An Account" button. After filling in the required information, the system will automatically log you in and you will be required to accept the terms of use.

2. **Find Your School:** Find your school by going to registermyathlete.com, selecting your state, and finding your school. Click on the Somerton to continue to the next step.

3. **Add a new athlete:** The next step is to add an athlete. You can do so by clicking the "My Athletes" tab on the left-hand side of the page or by clicking "Add Athlete" underneath the "My Athletes" tab. This only needs to be done once during your athlete's entire career at a school. The information entered here will carry over from year to year. This information includes your athlete's contact information and medical information.

4. **The athlete's profile:** After you've created your athlete you will be brought to their Profile page. This page is a summary of their info and involvement.

5. **Register for a sport:** Click "+ Register For A Sport" to begin registration, you will be asked to choose which sport your athlete is registering for. Please select all sports your athlete may be interested in.

6. **Your registration checklist:** This page shows the status of your athlete's registration. You will be asked to complete several steps to complete registration including agreeing to documents, E-signing and uploading documents.

7. **Annual Medical Physical:** Parents will be able to print the annual preparticipation physical evaluation packet from Aktivite or by visiting our school website. All 6 pages of this packet must be uploaded to Aktivite. The entire document must be visible.

8. **Brain book and Opioids course:** The certificate of completion for these courses must be uploaded to Aktivite. Both courses must show as complete.

Anytime a document is rejected the parents/guardians will receive a message with the reason.

9. Once your athlete shows as “**Ready for Tryouts**” a clearance card will be given to the coach or athlete to confirm he/she is able to participate in practices.

10. **Athletic Fees:** A fee of \$45 will need to be paid in order for your athlete to receive a uniform/equipment. Parents have the option to pay by going to myschoolbucks.com or in the bookstore at Somerton High School. The athlete must upload the **emailed** copy of their receipt to Aktivite. This is needed to complete the clearance process.

11. **Impact Testing:** Once the athlete has made the team he/she will have to complete the Impact Testing with the athletic trainer. This will be scheduled by their coach. This is needed to complete the clearance process.

12. **After registration:** After registration is complete, you can login at any time to view the status of your athlete.
