Remembering PNG Football 2024

The ball soars through the air going what looks like over 20 miles per hour. It's a perfect spiral thrown by the quarterback. His wide receiver catches the ball in one swift movement and races down the field quickly passing the 30 yard line, the 20, the 10, and with five yards left... TOUCHDOWN for the Port Neches-Groves Indians!

Now, all must rely on the kicker to get the ball through the field goal. 1,2,3, POW! He kicks the ball, and it cuts through the air going straight in! The score is 45-14 PNG!

The buzzer screams as the fourth quarter comes to an end. The Port Neches-Groves Indians have done it again! Straight to the state finals they go! What a night to remember.
