MEDIA RELEASE

District Invites Families to Register for Preschool and Transitional Kindergarten

Registration for Fresno Unified's high-quality early learning programs for the 2025-26 school year will begin April 1. Free programs are available for all 3- and 4-year-old children, providing nurturing environments focused on social-emotional health, oral language development, early literacy, early math and visual arts. Research shows that children who start school early build a strong foundation for future success.

To complete an online registration or for more information visit the [early learning homepage](#) or call (559) 457-3416.

- [Preschool](#) is available for students who turn 3 or 4 before Dec. 1.
- [Transitional kindergarten \(TK\)](#) is available for students turning 4 before Sept. 1. (Enrollment is underway for TK.)

“I know of no better way to prepare our students for success in school and empower them to achieve their greatest potential than by enrolling them in one of our outstanding preschool or transitional kindergarten programs,” said Interim Superintendent Misty Her.
