Extracurricular or Co-curricular Activity Suspension

The Board believes that the safety and welfare of other students may be adversely affected when students who are involved in extracurricular or co-curricular activities commit major infractions or repeated minor infractions at school or during school activities, and/or are involved in criminal conduct or drug use in any location.

At the beginning of each semester, teachers or coaches of co-curricular courses will identify for students how participation in the co-curricular activity impacts their course grade. Co-curricular students who are suspended as a result of this policy will have the co-curricular course grade affected only if the reason for the suspension was related to course work or course expectations. Students who miss a co-curricular activity because of a suspension may ask to do, or be required to do, alternative assignments or special projects to make up the missed activity.

The parent/guardian will assume any expenses incurred for the return of the student.

IV. Informal Hearing Process

Prior to giving an activity suspension to a student, the principal or athletic director shall grant the student an informal hearing on the reasons for the activity suspension and the opportunity to challenge those reasons unless an emergency activity suspension is necessary. If an emergency activity suspension is necessary, an informal hearing will be held as soon as possible after the emergency ceases to exist.

V. Student travel to or from an extracurricular or co-curricular activity

Unless other travel arrangements are authorized before the trip begins, students will board the bus at the school designated as point of origin for the trip and will return to the point of origin

in the bus. There will be no stops along the designated route to pick up or discharge students.

The only variation allowed in this regulation is in extenuating circumstances, such as an injury that requires a student to be taken by private vehicle or ambulance for medical attention, the activity advisor will communicate with the Clark County Sheriff's Office that said student will not be on the bus.

The activity must provide at least one instructor\coach\ or adult sponsor for each bus on a special trip. The bus driver will be responsible for the safe operation of the bus. The sponsor will be responsible for supervision of students and enforcement of bus rules. Any adult designated by the principal as a sponsor will have such authority.

Students must follow all school bus rules with this exception: Food and drink not in glass containers will be allowed on the bus with permission of the principal. However, any debris must be cleaned up at the end of the trip and before students leave the bus.

If a student causes a disruption or hazard on the bus, a hearing will be held with the principal, driver, instructor\coach\ or adult sponsor, parent/guardian and student. The driver, instructor\coach\ or adult sponsor, parent/guardian and the student will have the opportunity to share with the principal their perceptions of the problem. If the principal finds that there has been an infraction of bus rules, he will take the following action:

1. On the first infraction, the student will be warned that following any further infraction he/she will be declared ineligible for transportation to the extracurricular or co-curricular activities for one event.

The hearing panel will notify the student and the parent/guardian of the date, location, and time of the hearing; the student will have an opportunity to present additional evidence regarding the circumstances of the suspension or reasons to reduce the length thereof. The appeal must be scheduled within five (5) school days of the request.
4. If the panel determines that the evidence reviewed at the appeal supports the suspension,

the suspension of the student from extracurricular and/or co-curricular activities shall be continued.

5. The student and the parent/guardian will be notified in writing of the panel's findings and determination with respect to the student suspension from extracurricular and/or co-curricular activities within two (2) school days of the panel's decision.
