For the 2025-2026 school year, LEAs must report **2024-2025 leavers** as usual in the **2025-2026 Fall PEIMS Submission**.

However, there is a **new requirement** for how LEAs report leavers in **2025-2026**:

- **\*\*New\*\*** Students will be reported in **2025-2026 Summer PEIMS** and **2025-2026 Extended Year PEIMS**, with resubmission opportunities for accuracy.
- **Leavers from the current year (2025-2026)** must be **monitored weekly** to ensure they are valid and accurate.

This change emphasizes the importance of **ongoing leaver verification** throughout the school year.

Starting in the **2026-2027 school year**, a **new change** for LEAs will take effect regarding **leaver reporting**:

- **Leavers will now be reported in 2026-2027 Summer PEIMS and 2026-2027 Extended Year PEIMS**, with resubmission opportunities for corrections.
- **Students will be reported in the 2026-2027 Summer PEIMS and Extended Year PEIMS**, allowing LEAs to verify accuracy through resubmissions.
- **Leavers from the current year (2026-2027)** must be **monitored weekly** to ensure they are valid and accurate.

This update reinforces the importance of **continuous leaver verification** to maintain data integrity.

Beginning in the **2027-2028 school year**, a **new process for reporting Leavers** will take effect:

- **Leavers will be reported in the 2027-2028 Summer PEIMS and Extended Year PEIMS.**
- **PEIMS Resubmissions will no longer be available for corrections.**
- **Students will still be reported in the 2027-2028 Summer PEIMS and Extended Year PEIMS**, allowing for initial accuracy checks.
- **Leavers from the current year (2027-2028)** must be **reviewed weekly** to ensure data accuracy and compliance.

With no resubmission opportunities, **ongoing monitoring and verification of Leaver data throughout the year will be critical.**
