## Task 1.2a Determine Current Status/Alignment regarding instruction in ELA/Literacy and ELD

Criteria for Evaluating Current Instructional Materials	Not Evident ..... Strongly Evident				
<b>Key Shifts in ELD</b> Instructional materials support the key shifts in ELD:					
1. English as a meaning-making resource with different language choices based on discipline, topic, audience, task, and purpose	<input type="radio"/> 1	<input type="radio"/> 2	<input type="radio"/> 3	<input type="radio"/> 4	<input type="radio"/> 5

3. Language acquisition as a nonlinear, spiraling, dynamic, and complex social process where meaningful interaction with others is essential	<input type="radio"/> 1	<input type="radio"/> 2	<input type="radio"/> 3	<input type="radio"/> 4	<input type="radio"/> 5
4. Language development focused on interaction, collaboration, comprehension, and communication with strategic scaffolding to guide appropriate linguistic choices	<input type="radio"/> 1	<input type="radio"/> 2	<input type="radio"/> 3	<input type="radio"/> 4	<input type="radio"/> 5

<b>Designated ELD</b> Instructional materials support the implementation of the ELD Standards as the focal standards in ways that build into and from content instruction in order to develop critical language ELs need for content learning in English.	<input type="radio"/> 1	<input type="radio"/> 2	<input type="radio"/> 3	<input type="radio"/> 4	<input type="radio"/> 5

English Escalate is no longer supported by the publisher, does not correlate strongly with ELD standards or ELPAC.

# Middle School ELD Adoption

Three programs were investigated through the process, and Vista's Bridges program made it to the pilot stage.

## Reasons Why Bridges Was Selected Overwhelmingly by Teachers

- Thematic, highly engaging units
- Engaging, thematic texts with many check for understanding questions that support meaningful conversations and written responses around a variety of relevant topics
- Pre-made assessments that can be modified, and can be used for ELPAC review.
- Lessons that are aligned with the ELD standards and support students to do well on the ELPAC.
- A good combination of computer based and paper texts and lessons
- Diverse and relevant texts that students can connect with
- Leveled units that progress in language and lexile difficulty (Leves A-C) so that teachers can teach different units for each grade level.
- Provides multiple opportunities for students to engage in academic discussions.
