<p><b>IMPORTANT:</b>                      *Successful Adv/AP students are task-oriented, proficient readers who are able to prioritize their time. Students and their parents should carefully consider the time outside of school and the dedication required for success in Adv/AP courses. Each Adv/AP course requires several hours of individual study time per week. Once the Fall semester begins, students must stay in Adv/AP courses for at least <u>six weeks</u> before being considered for a level change.</p>				

**Carefully consider all choices made at this time.** The master schedule is developed each school year based on your top seven choices. Alternates will be used and/or granted if your top seven classes are not possible. Over the summer, teachers are hired, books are ordered, and the master schedule is set based on the choices on this sheet.

**ALTERNATE COURSES:**

In order of preference, you **must** list at least **three** alternate courses. Alternates are highly suggested for 3<sup>rd</sup>/4<sup>th</sup> Science (where applicable).
