PARTNERS

At Baldwin High School, we are committed to fostering a culture of inclusivity and collaboration. Students enrolled in an elective as outlined in the Course Catalog have the unique opportunity to enhance their learning experience by participating in a Partners Component of an identified elective course, earning an additional .50 credit per semester.

ELECTIVES

Take credited classes at BHS that are designed to give additional opportunities to students of varying abilities while also exploring interests of your own!

EXPERIENCES

Get a bit of job experience to build your own resume while helping other students with varying ability levels learn helpful work skills in a fun, real-world employment setting.
