## EXTRACURRICULAR ACTIVITIES

At Steilacoom High School we recognize the value of extracurricular activities and encourage all students to be involved in athletics, clubs, and leadership within the school. Approximately 75% of students participate in at least one of these activities.

## THE DISTRICT & COMMUNITY

Established in 1855, Steilacoom Historical School District is the oldest organized school district in Pierce County. The District serves the communities of Steilacoom, DuPont, and Anderson Island, plus portions of Lakewood and unincorporated Pierce County. The district is known for its striking views of Puget Sound and Mt. Rainier and provides proximity to outdoor recreation and cultural activities found in Tacoma, Seattle and Olympia. The nearby Joint Base Lewis-McChord attracts a large number of military families to the area and over 40% of students in the district are from military families.

Historically, the school communities have supported the District through the passage of bond issues for new facilities and local levies to enhance basic education. Just over 3000 students are currently enrolled in Pre-K - 12th grade.
