College in the High School

Students have the option of enrolling with Central Washington University for college credit and HS credit in designated courses.

Running Start

Running Start Program expands the educational opportunities of HS students who are juniors and seniors. Students may take college-level courses while still in HS and earn HS and college credit. Students from Steilacoom HS typically enroll at Pierce Community College, but they may also take classes at Tacoma Community College, Clover Park Technical College and South Puget Sound Community College, Bates Technical College.
