DANCE - GRAPHIC COMMUNICATIONS

THEATER ARTS / ACTING

THEATER ARTS / VOCAL MUSIC

**The Gifted and Talented High School Honors Dance Program** offers a challenging course of study in Ballet, Modern, Jazz, World Dance, Tap and Composition. Learning correct alignment and developing a foundation in dance technique is emphasized.

The Dance Program focuses on developing an artistic voice as a dancer and choreographer.

Dancers are also introduced to dance pedagogy and explore teaching creative dance to young children.

*All students are required to audition for acceptance.*

## **The Graphic Communications Program**

prepares students for careers in an ever evolving field. Using Adobe Creative Suite students receive instruction in the graphic design studio and standard experience used in a professional print shop environment. Studies include Graphic Design, Digital Output, Typography, Animation, Digital Printing, Screen Printing, Sublimation Printing, Wide-Format Printing and Sign Making. Students will also be exposed to the business element through live work, as well as preparing portfolios in preparation for college review and for applying to entry level positions in the industry.

**The Theater Arts Program** offers an exciting and rigorous course of study that refines performance techniques while challenging each student to discover the nuances of creative expression one of two possible tracks:

### **Acting Program (AP)**

which includes all of the above with an introduction to vocal music.

### **Vocal Music Emphasis (VM)**

which includes all of the above with a deeper exploration of vocal music.
