FJMS NEWSLETTER

FROM THE PRESIDENT

Dear FJMS Families,

I want to just say how grateful I am for all of you. Your kindness, warmth, and genuine care for one another create such a welcoming and supportive environment for our students. It's so wonderful to find a group of parents who are not only friendly but also consistently lift each other up, and I feel incredibly fortunate to be part of it. Your thoughtful gestures, encouraging words, and willingness to support both Joe Michell School and FJMS have made such a positive impact, and I truly appreciate each and every one of you. Thank you for making this community a special place!

With gratitude,
Anna Cleary

Garden

updates

By Joelle Cook

February's objective was to have students explore how caring for people and nature helps things grow - just like a garden. They expressed kindness through a creative garden-themed activity.

We had two rainy Thursdays in February so we were inside sorting seeds and making posters to show how the kids are caring. They each decorated a heart and we put the hearts together to make flowers on the poster. They taste tested clementines, sautéed Swiss chard & broccoli flowers.

Let's TEAM♥UP!
