Dylan Bullard

- As of March 5, 2025, we have had 35 comments. 33 were from teachers within the district, and 2 were from community members that came to Oak to see the materials.
- Please encourage your social studies teachers to review the products on your campuses, the input is very helpful to the committee.

6. Review of Materials -

Dylan Bullard

- It was noted that the following products submitted by Social Studies School Service, *Nystrom Atlas of World History*, 5th Edition; and *Nystrom U.S. History* Digital Program, have been removed from consideration due to a lack of alignment to the courses for which the resources were submitted.
- Committee members continued to review materials and turn in completed rubrics for scoring.
- Committee members that still need to complete reviewing materials and submit rubrics were asked to have them completed by Friday, March 7, 2025. They were asked to contact Dylan Bullard when the rubrics were ready for pick up at their campus.
