Join us for a fun-filled TummyTime!™ Method Baby PLAY Class, where we'll guide you through engaging activities for your child!

Tummy time should be FUN!

We're learning how to calm, engage and play with baby.

Join Anne Bry SLP, COM and Bailey Boraas OTR/L to learn how to PLAY with your baby. This class is for all parents - 1st time or experienced - and their pre-crawling infants, 4 weeks and older.

These classes will help you and your child by decreasing the stress of tummy time, build community and friendships, and social engagement.

Tummy time is the time a baby spends lying on his or her tummy. Parents and baby are interacting together during this floor time activity. Other tummy time positions: lying on parent's chest, over arm or lap, propped on an infant approved pillow and babywearing.

The TummyTime!™ Method is an evidence informed therapeutic program designed to support health, posture, movement, and connection for all babies; it can also treat oral motor dysfunction, postural asymmetries, digestive difficulties, and autonomic dysregulation.
