OVERALL SPIRIT/CULTURE

How do you feel the sense of school spirit and community at JHS could be improved or encouraged?

Short answer text

JHS could host more grade-specific events. For example, there could be individual competitions amongst each grade, which would allow most people to participate in school spirit events.

I feel like school spirit and community can be improved through passing more clubs that are valuable and that make impact and also by making merch cheaper or free

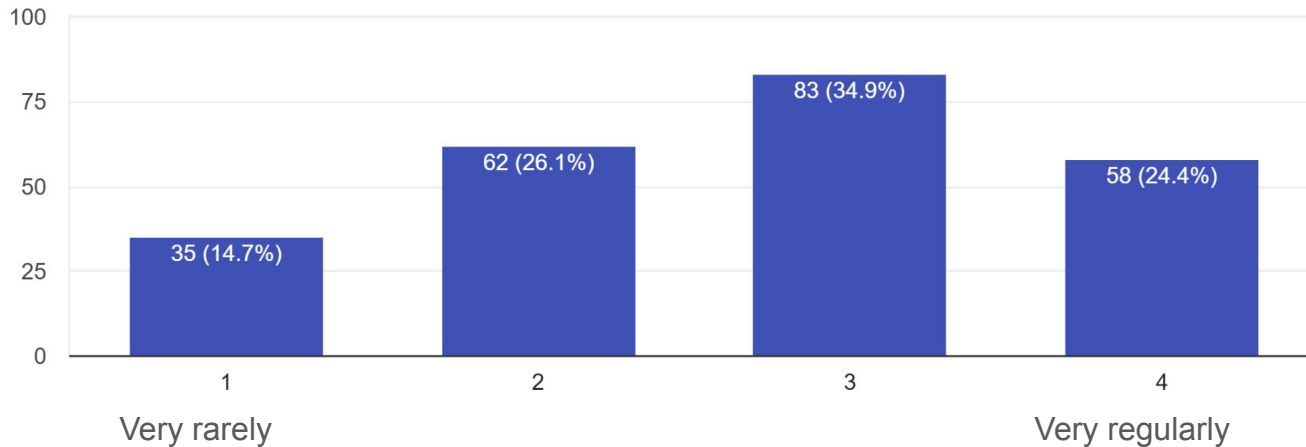

decrease the pressure to have students compete with each other so they can have fun and enjoy school

PERSONAL INVOLVEMENT

I attend after-school events (athletic events, concerts, musicals, competitions).

COMMENTS/SUGGESTIONS

What new events, activities, or offerings would you love to see at JHS?

Long answer text

Junior prom, dances, more grade field trips!!

events like Homecoming for the other sport seasons as well

Movie watch parties, live events or an more often selling of school merch (scheduled properly instead of random times)

All school doubles badminton or pickleball tournament would be really fun because everyone can play

I feel like a senior tailgate would be great. We can bring barbecues and lawn chairs and just hang out by the senior parking lot for the day

Let's hear it from the students directly!
