CENTENNIAL

SCHOOL DISTRICT 12

CONNECTING. ACHIEVING. PREPARING.

**SUMMER
ACTIVITY GUIDE**

May-August 2025

Making connections within the community to provide learners
of all ages with accessible and enriching opportunities

Welcome to Community Education

Centennial Schools is proud to offer community education programs for all ages and abilities. We provide true life-long learning to our residents and beyond in Blaine, Centerville, Circle Pines, Lexington and Lino Lakes.

If you're anything like me, you may have been counting down the days until spring, even just a little? The thought of summertime brings a smile to many faces, including mine. I do love summer activities and especially, I love being the Director of Community Education and overseeing the many programs we encompass in the summer.

From sports camps to Driver Education, Kids Club Summer C.A.M.P. care to academics and art camps, Music on the Lake concerts, the More Than Pink fitness program, the Centennial Kids Obstacle/Mud Run and so much more, I like to think that we are responsible for bringing smiles to many faces in the community, over the course of the summer.

I'd like to invite you to a very important event we host in the summer: The Food Truck & Fun Festival, Thursday, August 14, 4-8 pm at Centennial Middle School. The focus of this event when we created it four years ago, was to host a get-together, as a community, to enjoy something we can all connect on: yummy food and treats! Over the years we've also added local vendors and a car show to the event. The Food Truck & Fun Festival also has another important mission: helping to ensure everyone in this community has the ability to partake in important learning and enrichment opportunities. A portion of the food truck sales from this event will go directly to our Community Education Financial Assistance Program.

Please join us for one of over 200 offerings we have available this summer and I especially hope you will join us at the Food Truck & Fun Festival!

*Cori Sendle
Director, Community Education*

Food Truck & Fun Festival

Thurs, Aug 14 4-8 pm Centennial Middle School

Join us for an evening of food trucks, a car show, local vendors & more!

Enjoy delicious foods from these food trucks

Chili Lime Tacos & Tots
D & D Vietnamese Cuisine
Mik Mart Ice Cream
North Star Donuts
Nothing Bundt Cakes
Grandpa Mike's Pizza

Summer Events!

More Than Pink Sampler

Sat, May 3, 10 am-noon \$10

Centennial High School, West Learning Commons

Join us for this special event where participants can get a taste of what this empowering program is all about! Designed for girls entering grades 4-7, this session will feature a fun activity focused on building confidence, teamwork and overall well-being. Attendees will get to experience a mix of physical movement, creative expression and meaningful discussions—all in a supportive and uplifting environment. Whether you're a seasoned "MTP'er" or are thinking of trying it for the first time—this is perfect for you! We'll also have a yummy snack. Join us! [See page 51 for more MTP details.](#)

Try Tennis Clinic Tenicity Tennis Program Ages 5-17

Sat, May 10, 4-6 pm FREE Middle School Tennis Courts

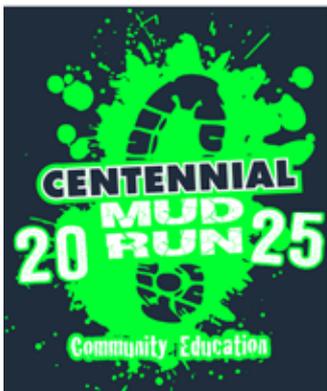

In celebration of National Tennis Month, we invite participants to try tennis and bring along their friends. Participants will learn tennis skills, play games, and gain encouragement to play the sport. Event is free, but preregistration required. Visit us online for details and registration, isd12.ce.eleyo.com

Music on the Lake - It's Golden

Free Concerts Thursday Nights at Golden Lake Park

Co-sponsored by Centennial Community Education and the City of Circle Pines. [See page 6 for details](#)

Kids Obstacle Mud Run Sat, Aug 9 for Ages 4-12

Mark your calendar for our 6th Annual Kids Obstacle/Mud Run. We added some new obstacles and an inflatable big slide! Participants will run on the grounds of the high school completing multiple obstacles, some easy and some a bit more challenging, and ending with a mud pit! [See page 51 for details.](#)

New this Fall!

Centennial Outdoor Explorers Preschool!

Student must be 3 ½ years old by Sept 1, 2025 to attend

This 4-day, Monday-Thursday afternoon class will use the wealth of natural resources surrounding the Early Childhood Center to move learning outside! Students will have the same academic, social-emotional, and physical learning goals as a standard preschool class, but activities will incorporate the natural environment. "Wargo Wednesdays" will take place twice each month, bringing students and their parents/caregivers together with naturalists at Wargo Nature Center. (Sibling care will be available.)

Space is still available! Visit earlychildhood.isd12.org to register.

Centennial Community Education

CENTENNIAL
SCHOOL DISTRICT 12
CONNECTING. ACHIEVING. PREPARING.

Centennial Community Band Grade 11+

Part of the Centennial Community since 2003

Own a band instrument? Looking for a place to play? Come experience the joy of ensemble music making with a wide variety of symphonic band literature, even if it has been a while since you played.

This non-audition band, under the direction of Barry Zumwalde, is comprised of musicians from the Centennial area and surrounding communities.

Instrumentalists are welcome in percussion, low brass and horn, double reed and tenor/baritone sax sections. Interested musicians are invited to try up to three rehearsals without obligation.

Rehearsals are September through June, Tuesdays 7-9 pm in the Centennial High School west building band room (occasionally in the Middle School band room).

Visit the band website for more information.
centennialcommunityband.org

The spring concert is on Friday, May 1 at 7:30 pm in the PAC

The band will also perform at Music on the Lake on June 12

See page 6 for details

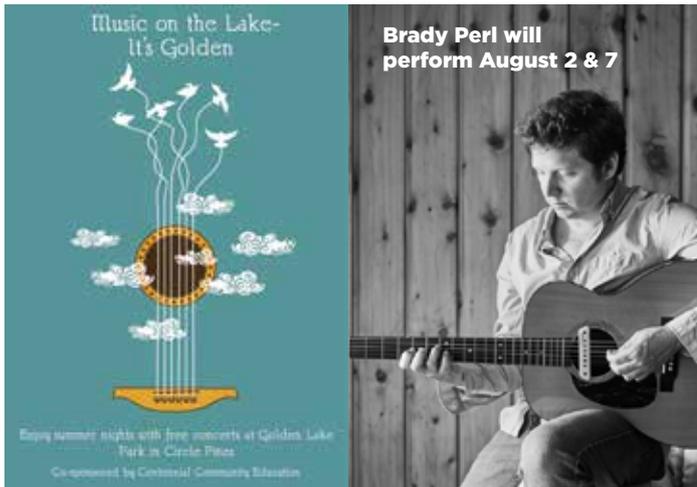

Summer Fun at Golden Lake Park

Music on the Lake - It's Golden!

Thursdays. Co-sponsored by Centennial Community Education & the City of Circle Pines.

No registration required. Simply show up with your lawn chair ready to listen to some good tunes.

Centennial Community Band June 12, 7-8 pm

This 60 plus member community band formed in 2003. They work under the direction of Barry Zumwalde and perform several concerts a season.

The Roxy Hall Band June 26, 7-8:30 pm

The Roxy Hall Band is a seven piece, all women, rock-n-soul band with a horn section. Come listen, sing along, and dance to great grooves and memorable melodies. The band's four singers create music with multiple layers of harmonies.

The Revolution 5 July 10, 7-8:30 pm

The Revolution 5 is Minnesota's premier Beatles Tribute band. Their extensive set list includes hours of Beatles tunes and boasts virtually every chart-topping hit sprinkled with a handful of deeper tracks for the true enthusiast.

The Floras July 17, 7-8:30 pm

The Floras are a husband and wife singing duo with decades of performing experience. Mark knew this farmer's daughter was meant to be his beloved. The constant call of 50s and Americana music has brought them into singing for a living.

Family DJ Dance Party July 24, 6-7 pm

Join our DJ, Brett of Special Works DJ, who has arranged a play list full of appropriate songs that are just made for dancing. Songs will span the generations to appeal to all ages. So grab your family and friends and let's bust a groove.

SALSA del SOUL performing August 2 & 21

Brady Perl August 7, 7-8:30 pm

Brady is an American singer-songwriter performing modern and traditional Americana music based out of the Twin Cities. His great-grandfather built violins/fiddles, his grandparents owned the first musical night club on Lake Minnetonka in the 1940s, and his uncle was a professional drummer by the age of about 13 before being drafted in the Vietnam War, making Brady a 4th generation musician. Performing professionally for over 15 years, Brady Perl is an award-winning local musician, delivering high quality and original material.

The Salsa del Soul Sextet (feat. Frank Rivery) August 21, 7-8:30 pm

Salsa del Soul is a Twin Cities-based ensemble performing various styles of dance music from the Spanish-speaking regions of the Caribbean. Salsa del Soul was formed with the purpose of providing great dance music for Twin Cities Salsa fans. The musicians represent some of the finest talents in the Twin Cities Latin music scene. The style of music they perform includes Son, Son Montuno, Plena, Cha-cha-cha, Bachata, Merengue, Timba and of course Salsa.

75th Anniversary Celebration

Saturday, August 2

Golden Lake Park

Brady Perl

12-1:30 pm

The Salsa del Soul Sextet Feat. Frank Rivery

2-3:30 pm

The Holy Rocka Rollaz

4-5:30 pm

Take an authentic trip back to the fantastic 50s with the Holy Rocka Rollaz as they bring back memories and nostalgia with music from the legends like Elvis Presley, Buddy Holly, Chuck Berry, and Johnny Cash.

Center Park

Family DJ Dance Party

10 am-noon

33rd Annual Golden Lake Gallop Sat, August 2

Join us for the 33rd Annual Golden Lake Gallop. The Gallop is open to runners and walkers of all ages. Those who prefer 5K and 10K races, use one or both of the Gallop races to develop different paces.

This is a fun run - no age group divisions. Recognition for top three finishers of each gender in the two, four and .5-mile runs.

Race check in at Golden Lake Park Pavilion One, 53 W. Golden Lake Rd. Circle Pines.

\$25 with T-shirt or \$15 run only. Include shirt size when registering. To guarantee a t-shirt, participant must preregister at least one (1) week before race. Limited number of extra shirts available on race day first come, first served. Registrations taken the day of the event; however, preregistration preferred.

Proceeds help support the Centennial High School Cross Country Team. #8500

8:30 am 4-mile run

Twice around the lake

9:30 am 2-mile run/walk

Once around the lake.

Ages 13+, or 12 and under accompanied by an adult

10 am 1/2-mile fun run

Ages 11 and younger.

Course runs around the Golden Lake Park

City of Circle Pines is celebrating 75 years of its cooperative community roots. For more information visit ci.circle-pines.mn.us

Centennial Community Backpack Program Drive

In 2024 we provided school supplies for over 472 students in need in the Centennial district. We anticipate the need will be even greater this year.

How can you help?

- ◆ Adopt a backpack (or several)!
- ◆ Use the QR code to get to our website, centennialbackpack.org Fill out the form to adopt backpacks. You will receive a school supply list by the end of June. Packed backpacks are due in August. This is a great project for businesses or groups (adults and youth) in addition to individuals looking to help.
- ◆ Donate money or supplies!
- ◆ Use the QR code to get to our website, centennialbackpack.org, and scroll down to "how you can help," where you will find a financial donation prompt. Donated funds are used to purchase backpacks and supplies for students at Centennial Middle School, High School, Centennial Area Learning Center (CALC), and the Pines School.
- ◆ Spread the word! Share our website and Facebook page (Centennial Community Backpack Program) with friends & neighbors... Use your social media for good!

This is a community program operated through Our Savior's Lutheran Church with generous support from other local churches, businesses, Centennial Community Education, the Centennial Area Education Foundation, Night to Unite, and individuals like you. It is made possible through a dedicated team of volunteers and many generous adopters and donors in the Centennial community. If you are able, please support this valuable program—it makes a real difference to these students and their families.

If your family is in need of support for school supplies, please contact your child's school office.

Adult Create

Fantasy Landscape Alcohol Ink Painting Starting Soon!

Limited spots available

Have you ever wanted to try your hand at abstract art that is fun and colorful? Alcohol ink is a new painting technique that just screams ABSTRACT. With so many different techniques, alcohol ink will soon become a favorite medium. To make this beautiful picture, you will put down your choice of colors to make the background. You will then use a water brush (filled with alcohol) to blend your background. Once your background is created, you will use the thin brush to create your tree and stamper for the leaves. Your instructor will guide you through each step. You will make one 4 1/2"x6" or 9"x12" painting on Nara art paper in a different color scheme. Just come to have fun and enjoy yourself. The best part of using alcohol ink is if you don't like a part of your picture, you can wipe it off with ISO alcohol.

Kay Anderson

#2383 Th Apr 17
 \$35 6-8 pm
 CHS/East: Rm 111

Alcohol Ink Painting Workshop

Experiment with alcohol inks on Yupo paper. The non-absorbent nature of Yupo means it will not buckle, no matter how much water you put on it, and it makes colors more vibrant and brilliant than on standard papers as all the color sits on the surface. Alcohol inks are pigment-intense and vibrant, free-flowing and filled with an energy all their own. You will leave the workshop with knowledge of a new technique that you can then take home and expand your artist interest.

KidzArt

#2079 M May 5 7-9 pm
 \$56 CHS/East: Rm 111

Stained Glass 101 Copper Foil Method

Explore the art of stained-glass design and building:

- ◆ Learn to make, cut and use patterns.
- ◆ Cut and grind glass
- ◆ Tape your glass with copper foil
- ◆ Solder your glass
- ◆ Add patina to color the solder
- ◆ Finish the edges with a zinc border
- ◆ Clean and polish the finished window

John will also discuss how to frame your completed window with wood. All tools and materials are provided. Please wear hard-toe shoes, and long sleeves, and bring a pair of safety glasses. No fleece or sweaters that can catch glass chips as you cut. Bring \$25 cash or check payable to instructor to first class for supply costs.

John Hanson, owner of Longfellow Soap, has been designing, making, repairing, and restoring antique stained-glass windows for 23 years.

#2333-B Tu/W May 27 & 28
 2 sessions \$160 + \$25 supply fee
 5:30-8:30 pm
 CHS/East: Rm 140

Watercolor Paint Along

Set your creativity free and explore watercolor painting. In this unique class, we will challenge ourselves to introduce fundamentals and styles through hands-on experience in watercolor painting. You will be painting on a watercolor pad 11"x15". "Everyone is an artist" so let's enroll and have some fun while we paint.

Swetha Avula, owner of Acrylic Studio Arts is an artist who was raised in India and enjoys blending experiences across multiple cultures and geographies

#2381 Tu Apr 29

 CHS/East: Rm 111

Water Lilies Acrylic Painting

Claude Monet is best known for being the founder of impressionism and a keen observer of the movement of light. In this class, we will discuss his inspiration and painting process while we create a water lily acrylic painting on a 12"x16" stretched canvas. Enjoy live demonstrations, play with different materials, and watch your skills soar as you bring your painting to life.

Aryn Lill, The Blue Fox

#2384 F May 9
 \$58 6-8:30 pm
 CHS/East: Rm 111

Barn Quilt

Grab your friends and gather to create a beautiful barn quilt pattern on a 14"x14" reclaimed wood pallet. You will be guided step-by-step through in-person and written instructions. You're welcome to choose your own colors to make it your own. The barn wood is locally sourced by craftsman and farmer, Josh Reintz of East Henderson Farm, each pallet has a unique quality. The wood is truly reclaimed, meaning each pallet will be completely individual and will have flaws, such as nail holes and small dings. The wood has been carefully selected, pre-sanded and assembled. At the start of class, you will choose your design. Some designs are better suited for beginners and some are more advanced.

Designs include:

1. Pinwheel (beginner friendly)
2. Flag (beginner friendly)
3. Faded Star (beginner friendly)
4. Friendship Star (beginner friendly)
5. Marigold (experience preferred)
6. Hidden Cross (experience preferred)
7. Blue Cross (painting experience preferred)

Power Tools for Women 1 Age 18+

Explore the world of power tools and woodworking in this introductory, hands-on class. Learn to safely use drills, routers, and saws. Tips on staining/varnishing at home will be covered.

Week 1: Learn the proper ways to use tools and important safety considerations as you make a picture frame. Everyone will use all the tools.

Week 2: Complete a small bench.

Students will be allowed to leave projects to finish the second night of class. There is plenty of available parking. Long hair must be tied back and no loose clothing for safety. Bring safety goggles, a tape measure, and a pencil. Bring \$30 to class for supplies.

Francis Kaas, Master Carpenter who has built and remodeled homes for over 30 years. Fran's patience and expertise in woodworking have made him a popular instructor.

#2354-B Th April 24 & May 1
2 sessions \$49 + \$30 supply fee 6:30-8:30 pm Francis Kaas Shop, Ramsey

Intro to Welding Beginning to Intermediate

Classes will introduce you to welding. TIG welding uses an inert gas and bonds metal to metal without a wire feed or rods or sticks and is typically used for thinner materials such as pipe welding or where appearance is more important. Safety and introductory concepts for sculpture design will be covered. Wear a long-sleeved shirt, long legged jeans or other sturdy long legged pants, close toed leather shoes or boots. Leather work gloves, welding helmet if you have one, a lunch or snack and refillable water bottle. Instructor will provide: TIG welder and welding material, welding helmets, safety glasses, extra gloves, vise, anvil, angle grinder and bending tools. *Greg Kraft, local artist, sculptor, carver*

Create a Garden Sculpture

Create a stone and metal sculpture for your garden or patio. Bring: a stone about the size of your fist, or one will be provided.

#2839 Sa July 19 \$130 10 am-2 pm
CHS/East: Rm 140-Woodshop

Welding a Steel Rose

This class will introduce you to TIG welding and hand tool use for metal work.. You must have some hand strength to use the cutting and bending tools that shape the rose. We'll use 3 steel discs and a steel rod to create a rose that will last forever. There will be a brief discussion of rose history and art to open the class.

#2838 Sa Aug 9 \$130 10 am-2 pm
HS/East: Rm 140-Woodshop

Cooking

Macarons Age 18+

They are beautiful and so fun to make. Your instructor will show you some simple tricks to make the process easy. We will make three different kinds: Lovely blueberry, lemon, and pink, cherry or strawberry. There will also be some chocolate macarons for you to sample. You will bake and assemble one recipe from start to finish, as well as decorate and assemble the other two recipes. You will be the talk of the party when you serve these little delicacies. Bring \$13 to class payable to instructor for supplies.

Nancy Burgeson

#4073 Th May 8 \$40 6-9 pm
CHS/East: Rm 110

Air Fryer Veggies Online

Using an air fryer to cook vegetables is quick, and the healthy results are delicious. Kirsten will demonstrate a variety of recipes using in-season local and/or commonly available vegetables including lemon pepper broccoli, miso sesame kale chips, and roasted sweet potatoes. You will receive an extensive handout along with the link to join prior to class. There will be ample time for questions during the session, and participants will receive a link to the recording afterwards so they can follow later at their own pace.

Kirsten Madaus

#4028 Tu Apr 22 \$24 6:30-8 pm

Adult Dance, Music & Theater

Private Guitar/Ukulele & Vocal Lessons

All ages & abilities welcome

Whether you're a beginner just getting started or a player looking to take your skills to the next level, work one-on-one with instructor and musician Brady Perl, in half-hour private lessons. Brady is a full-time musician with over 15 years of professional experience teaching lessons and performing live gigs. Lessons will be tailored to each participant's needs and interests, and will cover skills like guitar/ukulele chords, rhythm, singing, songwriting, songs, harmonica, performance, and music theory.

Brady Perl, performs his own original music and has gained statewide notoriety, making several appearances on television and radio, and performing in a number of venues.

Identify if your lesson is a vocal or what instrument when registering. Students need to bring their own instrument.

Adult Improv

Improvisation is likely to be known as a performance form that allows for audience participation, is based in comedy, and is only for the very quick-witted. Improvisation, however, is a truly adaptable art-form that is proven to be an effective tool onstage and off for many different age groups and levels of experience. In other words, while it can be highly entertaining, improvisation is much more than "being funny".

The tenets of improvisation - namely saying yes to accepting ideas without judgment, creating a safe atmosphere and listening - have made this form important to actors and non-actors alike.

For actors, improvisation is an effective tool for creating a workplace that is focused on creative ideas, free communication and teamwork. Improv is adaptable to all ages and performance backgrounds from the very young to those who have never been onstage.

The rules of engagement crucial to a successful improvisation scene are crucial to connecting with other people or getting them to hear your ideas. The exercises are adaptable to all levels because they are very simple, clear in focus, and able to be performed by participants of all physical abilities.

Participating in an improv class can be enriching, effective and above all, fun!

Veterans on Medicare How VA or TRICARE for Life & Medicare A & B Work Together

Thank you for your service. We so appreciate the service and sacrifice that our veterans and military retirees have provided to our country. When it comes to your health, we want to be sure you are not missing any benefits available to you. Come discuss how MN veterans can access additional benefits to complement the coverage you may already have through the VA, or TRICARE For Life along with your Medicare A & B. If you are a veteran, or know a veteran of the Armed Forces, this class is designed to assist our veterans in getting all the health care benefits each is entitled to receive.

Questions & Answers with a MN Will and Trust Planning Attorney

This is a relaxed and friendly open-forum seminar for participants with a seasoned Will & Trust attorney. You may have questions like: Should I avoid probate? Is a Will good enough? Do I need a Trust? How does my plan deal with a nursing home? How do we gift the assets of husband and wife? What about separate assets not of the marriage? If I am alone, what tools protect me best? How do I decide who should serve in my estate plan? What is the death tax? How do I avoid leaving a mess for my children? Which Trust is best for my needs? Can I use a Transfer-On-Death Deed? How do my retirement assets operate in my Will or Trust? All questions will be answered.

Beginner's Guide to Starting a FREE Blog Online

Online blogging is a great way to get the word out about you, your service, your product, or information you want to share. You will learn step-by-step how to:

1. Start a FREE blog with WordPress
2. Choose a blog template
3. Emphasize your blog content with a creative name
4. Use your unique voice to share your expertise
5. Connect your domain/website

You will also learn how to earn an income with your blog, including links to other websites and advertising on your blog, as well as increase your Internet ranking. Informative handouts for future use are included in the class fee. A link for the class will be sent to the email identified when registering.

LeeAnne Krusemark, is a former journalist, current author and editor, and a nationwide Professor of Publishing at higher learning institutions.

How to Pay for the Nursing Home Online An Attorney's Perspective

The biggest fear for most baby boomers is how to pay for the nursing home and still leave the next generation something. With ever changing estate planning laws and great increases in nursing home costs, the fear is real. In today's world you need to understand what your options are. Is long term care insurance for you? What about home care? Should you gift your money away? Will you qualify for Medicaid? What about a current Trust, does it avoid the nursing home? What is the 60-month claw back? What if your spouse goes into the nursing home and exhausts your combined money? Walk through these questions and many more, including how to plan and place your assets to meet your nursing home goals.

How Wills and Trusts Can & Cannot Help You

What is estate planning and why is it crucial? This class explores the purposes for estate planning; basic plans for married couples and single individuals; and reviews wills and trusts in detail. Also reviewed are powers of attorney, guardianships, health care directives and the probate process. A well-planned estate will allow the maker to stay in control even in the event of disability, and will avoid probate and unnecessary fees and delays upon death.

Michelle Kelly, private practice attorney focusing on estate planning, probate and trust administration, and elder law.

Why Your Parent's Estate Plan is Important to You 10 Really Important Reasons

In this class, we will take an in-depth review of many issues (and problems) that may be faced from our parent's estate plan (or lack thereof) such as: Creating a difficult Probate, loss of assets to the Nursing Home, fighting amongst the children, senior care issues, guardianship, privacy, the continued life of the surviving parent, estate tax protection, fairness and equality, legacy assets and the flow of critical information between the generations. We will discuss actual Minnesota examples of all of the above challenges and how they can be avoided in advance with some simple planning and exchange of information. All questions will be answered in an open and friendly forum.

Four Successful Strategies Online

Protect the House, Farm, Cabin Before & After Your Death

The Concern: Our family has a cabin, homestead, hunting land, farm or second home. How do we protect this family legacy and move its use and enjoyment in the future?

The Problem: Various sources and forces threaten its very existence: The nursing home and Medicaid (MA), estate taxes, family divorces, creditor and bankruptcy issues, taxes and operating expenses, unequal resources of owners, the in-laws, and use and enjoyment equality.

The Answer: We will provide real-life solutions and explore four paths to resolution that will solve our problems without driving the family apart or sacrificing the family's legacy asset. Provide email during registration.

Pound® Rockout Workout Ages 16+

Designed for all fitness levels and is easy to modify. Pound® Rockout Workout is a cardio jam session inspired by infectious, energizing and sweat-dripping fun play of the drums. Instead of listening to music, you become the music in this exhilarating full-body workout that combines cardio, conditioning and strength training with yoga and Pilates-inspired movements. Using Riptix® lightly weighted drumsticks engineered specifically for exercise, this workout transforms drumming into an incredibly effective way of working out. The workout sessions use each song to achieve interval peaks and fat burning sequences. The drumming helps with timing, coordination, speed, agility, endurance and musicality. This workout provides the perfect atmosphere for letting loose, getting energized, improving your health and rocking out. Bring a water bottle and yoga mat.

Forest Bathing

This Japanese art form and reflective practice, shinrin-yoku, loosely translates to "taking in the forest through our sense." Are you feeling stressed or overwhelmed? Forest Therapy is a practice of spending time in forested areas for the purpose of enhancing health, wellness, and happiness. Come slow down, de-stress from your daily routine, and deepen your connection to nature. It is different than other nature experiences. In forest bathing, we will be slowing down with intentionality and engaging all our senses through some activities. Give your mind and body some time to rest, wander and wonder in nature. You will need a valid state park vehicle permit (\$7/day or \$35/year).

Posture and Osteoporosis Workshop Building Better Bones

Ever caught your own reflection to see that your head leads the way, or your shoulders and upper back are too rounded forward? Learn simple techniques to improve posture and stand straighter. We'll do exercises to help flatten the upper back, un-round shoulders and flatten your midsection. Discuss how to reduce your risk of osteoporosis and related injuries and how to re-gain bone mass. Explore the latest research findings in nutrition and talk about the importance of minerals and trace minerals for bone health; foods that help and/or harm your bones and more. Wear loose, comfortable clothing. You will need a resistance band or tube for some exercises.

Is Your Waistband Too Tight Today? Strategies for Beating Belly Bloat

Have you ever found that in the morning your pants fit fine but by mid-afternoon, the waistband squeezes you like a tourniquet? Or that no matter how many crunches you do, your stomach still hangs out? Getting rid of a potbelly is much more than just doing abdominal exercises. In this workshop, you'll learn the main causes and six strategies for getting rid of belly bloat. We'll do a few exercises designed to strengthen the deepest layer of abdominal muscle, the layer that is responsible for flattening your stomach, shaping your waistline, and supporting your lower back. And, we will do this without getting on the floor.

#6384 W May 21 \$26 6-7:30 pm

Women, Weight & Hormones

Are you finding no matter how well you watch what you eat or how much you exercise that weight is not budging? Your inability to lose weight may have more to do with hormone levels than anything else. Until you discover and correct any imbalances, trying to lose weight will be like shoveling sand against the tide. Discuss concrete solutions (not tricks, not using your will power) for controlling appetite and cravings; simple things you can do every day to boost your metabolism; major sources of hormone mimicking chemicals and how to get rid of them; what HRT or birth control pills have to do with weight gain; how to get your hormone levels checked reliably; steps needed to safely break the vicious cycle of hormone-related weight gain to help your body begin to lose weight again.

Spring Winery Tour Age 21+ Thursday, May 22

Enter the Chateau Winery in St. Croix Falls, WI with us. We will first stop at the Lowell Inn, which was created by Elmer Lowell. Lunch in the Garden Room will be Chicken a la King - tender pieces of chicken, mushrooms, red and green peppers in a sherry cream sauce served over a puff pastry shell, mashed potatoes, vegetable of the day, beverage and a small dessert. After lunch we drive to the Chateau Winery nestled in the rolling hills of St. Croix River Valley. We will divide into two groups for wine tasting and a tour of the production area and barrel room. Explore the estate with a carriage house, stables and floral gardens. Visit the gift shop and make purchases on your own. Registration includes transportation in a motor coach, guided tour and lunch. Registration deadline April 20.

#8704 \$99 9:45 am-4:30 pm

MN Landscape Arboretum & Lunch Wednesday, May 28

We will visit when the gardens are in full bloom with amazing flower displays for spring. Lunch and a leisurely one-hour tram tour is included. On the tram, we'll travel on Three-Mile Drive highlighting varied collections, the display gardens and the Farm at the Arb! The tram does stop for viewing and pictures.

Lunch includes a choice of sandwich (turkey, ham, roast beef or veggie - option for gluten free) as well as chips, an apple, cookie and bottled water. Indicate lunch choice when registering. Registration deadline May 13.

Minneapolis Farmer's Market & Mississippi River Lunch & Cruise Thursday, July 24

Don't miss this fun day in Minneapolis. First, we'll start with time at the Farmer's Market. Browse and buy at your leisure. After about an hour, we'll head for our Mississippi River cruise and lunch. Our narrated cruise will take you along the southern route of the Grand Rounds Scenic Byway and Heritage Trail system, along the University of Minnesota campus riverfront, under the stunning 35W bridge, through the lower St. Anthony Falls lock system showcasing views of the St. Anthony Falls, the historic Stone Arch Bridge, amazing river bluffs with views of the amazing downtown Minneapolis skyline as we show you the best the Mississippi River has to offer!

Assortment of almond chicken salad, turkey breast, and baked ham sandwiches with condiments. Served with a garden salad with ranch dressing, fresh seasonal fruit, potato chips, and our Paradise cookie tray. Full bar service available (cash or credit). Registration deadline June 2.

#8703 \$92 9 am-2:45 pm

Explore Hastings Wednesday, Aug 13

Explore the hustle and bustle of Hastings, Minnesota! First, discover the hidden gem that is the LeDuc Historical Estate and marvel at the design work of Andrew Jackson Downing and this Civil War-era Gothic Revival home. Then enjoy a lunch at the Confluence Hotel with your fellow travelers. Meal choices are walleye sandwich, chicken pot pie, French dip or chicken Caesar salad. Indicate meal choice when registering. Next, we'll drive to city hall for a guided historic tour of the old Dakota County Courthouse, and finally end our day along the riverwalk where you will awe at the mighty Mississippi and have some time to shop the cute boutiques. Registration deadline is July 11.

#8708 \$89 7:50 am-4:15 pm

We're headed back to Nashville September 20-27, 2025!

Grab your friends and your cowboy boots. Community Education is heading to Nashville

We'll travel by coach bus on our trip. Our first night will be spent in St. Louis, we'll then head to the famous Gateway Arch on Sunday morning. We'll be in Nashville for dinner on Sunday. Accommodations will be at the Drury Inn right off Broadway, in the heart of Nashville. The Drury Inn features a daily complimentary breakfast and light dinner with hot food and cold drinks.

Monday through Wednesday we'll explore the Ryman Auditorium, the Country Music Hall of Fame, the Belle Meade Historic Site & Mansion, Andrew Jackson's Hermitage, a hop-on, hop-off trolley tour, an evening at the Grand Ole Opry and a showboat dinner and show on the river. There will also be time on your own to explore. Friday we will start back home, with an overnight in Hannibal Missouri. **Space is limited.** For a detailed itinerary with more complete daily information, visit isd12.ce.eleyo.com.

Save the Date!

Mackinac Island May 18-22, 2026

Join us to experience the timeless charm, historic architecture and horse-drawn carriages, all on one island nestled in Lake Huron. We'll arrange all the details and transportation to make sure you have the most relaxation and fun!

Watch for full description and registration information in the Fall 2025 Activity Guide.

Texas Road Trip 2026 April 10-20, 2026!

Embark on an unforgettable 11-day luxury coach tour exploring the heart of Texas and beyond! This incredible journey begins with a visit to Pioneer Woman in Pawhuska, OK, where you'll indulge in a multi-course brunch at the famous Pioneer Woman Event Center and experience the charm of Ree Drummond's hometown. Next, settle into the historic Fort Worth Stockyards, staying at the iconic Stockyard Exchange, where the spirit of the Old West comes to life.

In San Antonio, stroll along the picturesque Riverwalk, enjoy a hop-on, hop-off trolley tour, cruise along the river, and visit the legendary Alamo. Then, soak up the coastal beauty of South Padre Island, staying right on the beach while exploring the island's wildlife with a Sea Turtle, Inc. tour and a guided nature walk.

Continue to Waco, where you'll stay in the heart of the Magnolia Silos district, take a deluxe guided city tour, and enjoy a special group dinner. The adventure concludes in Dallas, featuring a guided tour of the breathtaking Dallas Botanical Garden and a visit to the famous Southfork Ranch, home of the legendary TV series Dallas.

This all-inclusive experience covers all breakfasts, along with three lunches, two dinners, and two Kickback Happy Hours. From charming small towns to bustling city sights and serene coastal landscapes, this tour offers a perfect blend of history, culture, and relaxation. Driver Education

Learn to drive safely and with confidence in preparation for your Minnesota provisional driver's license

Participants begin with 30 hours of in-class instruction to prepare for the knowledge (permit) test. Next step is to enroll in a behind-the-wheel program. Participants will then receive a certificate of enrollment and classroom completion card (blue card) allowing them to take their knowledge test. Pass the test and finish the process by completing 6 hours of behind-the-wheel instruction. All instructors are licensed teachers and licensed driver education teachers.

Due to high demand and the need for advanced registrations, any changes or cancellations once registered will incur a \$20 charge per occurrence. Missed driving sessions will be charged \$93 per occurrence.

Driver Education Classroom Ages 14 ½+

The first phase of driver education, 30 hours of in-class instruction prepares students for the knowledge (permit) test. Students will increase their understanding of basic skills, principles, and processes of responsible driving.

Areas of concentration include driver's rights and responsibilities, alcohol and other drugs, signs-signals-road markings, rules of the road, safe driving tips, Minnesota traffic laws, and limitations for teen drivers.

AAA Driver Training Program curriculum emphasizes the latest concepts in driver safety. Participants missing class must wait for the next session to make up missed time.

10 sessions \$175 M-F July 28-Aug 8
CHS/West: Rm 409

#8550-A 8-11 am

#8550-B 11:20 am-2:20 pm

Cost includes MN Driver's Manual.

Driver Education Behind-the-Wheel BTW

Minors must be enrolled in a behind-the-wheel program before they can take the knowledge test to obtain their instructional permit. Being on a waitlist does not qualify you to receive a blue card. Prerequisite: Students who are at least 15 years of age and have completed Driver Education Classroom. It is not recommended that students who are registering for the summer classroom series also register for summer BTW due to the time needed to obtain a permit and get in the recommended practice driving prior to lessons. If possible, please wait for fall BTW lessons, which will open for enrollment before summer classroom completes. Students who are registered for BTW through Centennial before classroom ends, and are at least 15-years old, will receive their blue card on the last day of classroom. Students must have passed their knowledge test and be in possession of their learner's permit prior to their first scheduled driving lesson. Some practice driving prior to your first lesson is recommended.

Behind-the-wheel consists of 6 hours of hands-on, behind-the-wheel instruction. Licensed staff will guide students through proper driving techniques and skills including right and left turns, 90-degree backing, parallel parking, traffic lights and stop signs, lane changes, one-way, right of way, emergency stop, and much more.

Lesson Information: All lessons start and end at the front of the CHS/West Building. Meet your instructor on the sidewalk just to the right of the main entrance by the visitor parking spaces.

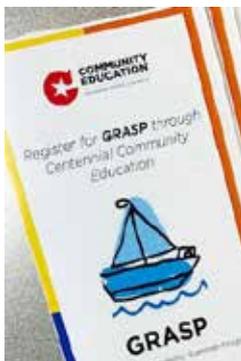

Lessons with Mickey Bluedorn are two-on-one for six, 2-hour lessons with one hour driving and one hour observing. Lessons with Craig Sturlaugson and Matt Fenno are one-on-one for three, 2-hour lessons. You MUST be available for all dates in the session selected. Some lessons are date specific; some are a range. When a range of more than three days is noted for sessions being taught by Craig Sturlaugson or Matt Fenno, the instructor will contact you to coordinate specific dates for lessons.

Space is very limited. If you are unable to secure a behind-the-wheel enrollment through Centennial, please look for a full listing of public and private school program locations, as well as licensed driver training school locations in the state of Minnesota, for both phases of the driver education instruction process. Please visit Driver and Vehicle Services, a division of the Minnesota Department of Public Safety.

Once registered for BTW and in possession of your blue card, you must remain enrolled for BTW or risk having your permit revoked. For this reason, there are no refunds or cancellations allowed once a blue card has been issued. Changes to enrollment are very difficult as this program fills quickly leaving little to no room for rescheduling. If we are able to make a change, there is a \$20 fee. If you have been unable to pass the knowledge test, please notify Community Education immediately. Student must have their permit with them for each driving session. If you forget your permit you cannot drive, that counts as a no show resulting in a \$93 fee.

#8551 \$300 Space is limited. Visit isd12.ce.eleyo.com for lesson availability.

Youth Academics

GRASP Summer Academic Program

New this year is an option to skip the mailing process with access to the GRASP scoring app for parents to get instant results for each unit.

GRASP is a 9-week correspondence program designed to help students just finishing grades K to 8 to help review and maintain reading and math skills learned during the school year while they are on summer break.

It should take your child approximately one hour per week to complete each weekly lesson. We suggest parents order the grade level your child is currently attending (not a grade level ahead). If there are extenuating circumstances, order the grade level that is appropriate for your child. Get more info and view sample pages at grps.org/departments/academics/grasp/

Lessons are completed and either scored by parents using the scoring app or they can be mailed or dropped off at Centennial Community Education where they are scored and then returned. Instruction sheets found in each packet provide all the necessary information.

All lessons must be submitted or postmarked no later than Friday, August 8. Students who have successfully completed at least 7 lessons with 70% or higher accuracy are awarded a certificate.

Those that successfully complete all lessons with 70% accuracy or higher will receive a medal. Medals will go home with Centennial students through school upon return in the fall. Medals and certificates for non-Centennial students will be mailed.

GRASP materials will be sent home with Centennial students the last week of school. For elementary students, please include your child's current teacher's name when registering.

Grades 6-8: Will complete GRASP lessons online - no books or scoring sheets. All information will be communicated via email from GRASP directly with log in information.

#7600 Registration deadline is Friday, April 25
\$26 for one subject; \$48 for both math and reading (bundle must be for the same child).

Missed the deadline, but still want to participate?

You can order packets directly from GRPS grasp.grps.org at the individual price of \$38 for one subject or \$68 for two and they will mail directly to you.

It's a Robot Party

Entering Grades 2-6

Join Centennial High School's Robotics Team, the Centurions, for a fun-filled morning of robot-themed activities. Students will have various hands-on experiences with all aspects of building a robot - including programming, driving, design, build, and media - all while being mentored by the diverse young people of FRC Team 2472. Of course, no robotics meeting would be complete without a snack! Proceeds help support the Centurions Robotics Team.

CHS Robotics Team

#7506	M	June 9	
	\$38	9 am-noon	CHS/West: Rm 401

Centennial Centurion Lego Robotics

Entering Grades 3-8

Centurions will teach students STEM skills through building and programming robots. Leaders from the Centennial Robotics high school team, the Centurions, will be sharing their expertise. They will work with small groups of 2-3 students that will each have their own LEGO SPIKE prime kit. They will develop mechanical, electrical, and programming skills. These skills will be put to the test in fun and competitive robot battles. Please bring a nut-free snack and water. Parents are welcome to join at 11:30 on the second day for a demonstration. Similar skills will be covered in each class, but you can register for multiple classes if you would like. Beginners and all levels welcome, previous experience not required.

CHS Robotics Team

#7502-C	W/Th	Aug 6-7	

Solar Cars, Robots & Machines

Entering Grades K-6

Simulate your creativity by designing and building epic, solar-powered cars, robots, and machines from easy-to-assemble parts. In addition, build solar-powered cranes, lift bridges, and many other designs. Let your inner engineer explore the world of solar energy while learning how to solve problems and stretch the imagination. Price includes a mini solar project.

Go Solar! Kidz!

#7724 M-Th June 30-July 3
4 sessions \$175 9 am-noon
CHS/East: Rm 125

Growing & Cooking with the Sun

Entering Grades K-6

The sun is your best friend if you know how to use it. This class teaches how to cook with just the sun. Solar cooking bypasses traditional cooking means. No electricity, gas, charcoal, or wood needed for solar cooking. Participants will learn how to cook meals, dry food for preservation, and purify water all with the sun. Participants will build their own mini-sun oven and take home an edible micro-green plant.

Go Solar! Kidz!

#7619 M-Th June 30-July 3
4 sessions \$175 1-4 pm
CHS/East: Rm 125

Solar Power Your Drone

Entering Grades K-6

Up, up and away! Enjoy fun remote-control drones charged from solar power. Participants will build a solar-powered charging station for their drone. When their drone runs out of juice, they can simply charge it anywhere outdoors with their solar charging station. When participants are done building, they will challenge others with their drone. Take home a mini drone and charging station.

Go Solar! Kidz!

#7620 M-Th July 21-24
4 sessions \$175 9 am-noon
CHS/East: Rm 125

Solar Go Karts Race

Entering Grades K-6

Join us for this fun interactive solar learning experience. Participants will learn exactly how solar electric is used for today in modern electric vehicles. Participants will build and take home a mini-solar race car that they will use to challenge each other in a race. As the main event, participants will work in teams to build a solar go kart to later race each other. You're sure to have a blast.

Go Solar! Kidz!

#7818 M-Th July 21-24
4 sessions \$175 1-4 pm
CHS/East: Rm 125

Jr. Camp Fancy Ages 5-10

Who doesn't love a little extra sparkle? Fancy is for everyone. In this camp, we'll transform the ordinary into extraordinary, turning everyday items into something truly fabulous. With a sprinkle of creativity and a dash of STEM, life becomes fantastique. Experience indoor glamping as you build cozy forts, craft glowing wands, create your own lip gloss, and mix up some fancy slime. The week wraps up with a special pajama party featuring deliciously fancy s'mores. Join us for a week of fun, friendship, and fabulous creations.

Engineering for Kids

#7813 M-Th July 28-31
4 sessions \$178 9 am-noon
CHS/East: Rm 116

3D Printing

Build Your Own Robot

Entering Grades 4-8

Step into the world of 3D printing and bring your ideas to life. This camp is perfect for beginners who love to draw, design, and see their creations take shape. Participants will learn the basics of 3D modeling and printing using Tinkercad, designing custom parts for their very own robots. By the end of the week, they'll have built two exciting DC-powered robots, a sketchbot and a drivebot. This hands-on course encourages creativity and problem-solving, and participants will need to be comfortable using a laptop and mouse to design their robots.

Engineering for Kids

#7617 M-Th July 28-31
4 sessions \$178 1-4 pm
CHS/East: Rm 116

Jr. Enchanted Engineering Camp

Ages 5-10

Step into a world of fantasy and invention at Jr. Enchanted Engineering Camp. Young engineers will bring fairy tales to life as they solve hands-on engineering challenges inspired by beloved stories. Each day, campers will tackle a new project to help their favorite characters, from designing the perfect chair for Goldilocks to building a speedier carriage for Cinderella. They'll invent clever ways for Rapunzel to escape her tower, create sturdy homes for the Three Little Pigs, and more. Through teamwork, imagination, and exploration, campers will gain confidence in problem solving and creativity, making each day a unique adventure in engineering and storybook magic.

Engineering for Kids

#7618 M-Th June 30-July 3
4 sessions \$178 9 am-noon
CHS/East: Rm 116

Wizard's Escape Room

Entering Grades 3-7

Get ready for an exciting adventure in the Wizard's Escape Room Challenge. This camp combines problem-solving, creativity, and teamwork as campers dive into thrilling escape room scenarios set in a magical realm. Each day begins with a new escape room experience that is physical or hands-on, where teams must tackle engineering challenges and puzzles, such as designing enchanted locks, deciphering magical codes, or building contraptions to break free. The room itself will not have the typical escape room physical design but a theme for the day will be set up. In the second half of the day, campers will shift gears and explore the art of escape room design. Working in teams, they'll design their own escape rooms, creating puzzles and challenges for others to solve. On the final day, teams will present their rooms and try to outsmart each other in this ultimate test of creativity and collaboration.

Engineering For Kids

#7719 M-Th June 30-July 3
4 sessions \$178 1-4 pm
CHS/East: Rm 116

Jr. Engineering

Entering Grades K-3

If learners like building and figuring out how things work, they will love this class. Explore, investigate, and solve problems while learning about simple machines' engineering building blocks. Participants working in pairs will enjoy hands-on activities using LEGO® Gears and unique LEGO® Technic® engineering components that incorporate math, science, and creativity. Use what you learned to solve challenges. Learning projects may include mini mechanical concept models, a moving dragon, scale, clown, crane, car, fan, merry-go-round, and more. Participants will be working in pairs.

Tech Academy

#7622 M-Th July 14-17
4 sessions \$135 9 am-noon
CHS/East: Rm 117

Magical Wizards Minecraft Adventures

Entering Grades 1-5

Immerse yourself in the wizarding world of Harry Potter by crafting and building iconic locations like Hogwarts Castle of Diagon Alley within Minecraft. Harness the power of Redstone to create magical effects, from floating candles to moving staircases. And with a custom magic plugin, design and play thrilling Harry Potter-themed mini-games. We will be using the PC/Java edition of Minecraft. Participants should have basic reading skills and be comfortable using a computer. Bring a USB drive to save your games on the last day.

Tech Academy

#7623 M-Th July 14-17
4 sessions \$145 1-4 pm
CHS/East: Rm 117

Hogwarts Film School & Coding Camp

Entering Grades 1-4

Create your own stop-motion animation using characters from the Harry Potter and Fantastical Beasts series. Participants will build and design magical-themed scenes and props. Then, they will handle all the technical details of filming scenes, including stop-motion, digital editing, special effects, and transitions to the movie. Create digital animations and participate in our Harry Potter-themed STEAM activities. Participants should have basic reading skills and be comfortable using a computer. Bring a USB drive the last day.

Tech Academy

#7613 M-Th July 28-31
4 sessions \$145 9 am-noon
CHS/East: Rm 117

Mod. Development: Minecraft Superhero Mods Entering Grades 3-7

Use MCreator to create your own mods based off your favorite superheroes. Design unique superhero abilities and tools for a Minecraft Java Edition. Participants should have basic reading skills and be comfortable using a computer. Bring a USB drive to save your games on the last day.

Tech Academy

#7624 M-Th July 28-31
4 sessions \$145 1-4 pm
CHS/East: Rm 117

Super Smash Brawlers Game Coding

Entering Grades 4-6

Unleash your ultimate platform fighter. Dive into the creation of a Super Smash Bros.-style game using Construct 3, a powerful and user-friendly game development platform. Participants will learn how to design, develop, and implement various game mechanics, including character selection, combat systems, item integration, and stage design. Through hands-on projects and guided instruction, participants will learn game development principles and create a dynamic platform game. Bring a USB drive to save your games on the last day.

Tech Academy

#7621 M-Th Aug 4-7
4 sessions \$145 9 am-noon

Nintendo-Themed Coding & STEAM Adventures

Entering Grades 2-6

Embark on a week of Nintendo-themed STEAM adventures. You'll work together to code, animate, and build games. Create your own Super Mario Odyssey-inspired mini movie, build immersive sets, and solve engaging challenges. This program is perfect for participants who want to develop their creative and technical skills. It's a fantastic way to learn and have fun. Participants should have basic reading skills. Bring a USB drive on the last day.

Tech Academy

#7614 M-Th Aug 4-7
4 sessions \$145 1-4 pm
CHS/East: Rm 117

Robotics: Scout 'Bots

Entering Grades 1-5

Build and code space rovers and scout out Mars, the moon, and other extraterrestrial environments. Also, create a dragster and volcano alarm to learn basic computer programming while having fun.

Youth Enrichment League

#7572 M-Th June 23-26
4 sessions \$125 9 am-noon
CHS/East: Rm 116

Chess Summer Camp

Entering Grades 1-5

All levels welcome. The Youth Enrichment League Teach It, Practice It, Play It method keeps chess players progressing with 60+ chess lessons and thousands of puzzles, as well as guided games and end-of-the-week, in-class tournament. Battle summer brain drain.

Youth Enrichment League

#7688 M-Th July 7-10
4 sessions \$130 9 am-noon
CHS/East: Rm 116

Destination Mars Rocketry Course

Entering Grades 2-5

Launch and watch your very own rocket speed 300 feet into the air. Then it's yours to take home. Make and take home multiple rockets of varying difficulty throughout the session. These rockets and airplanes will then be used to investigate basic aeronautical concepts including propulsion, thrust, lift, drag and more. We will hypothesize about travel in outer space, like how to get a United States astronaut to Mars and life on Mars. Do you have the right stuff? Please bring two, 2-liter empty bottles for use in experiments.

Youth Enrichment League

#7522 M-Th July 28-31
4 sessions \$150 9 am-noon
CHS/East: Rm 125

Scratch Game Coding

Entering Grades 1-6

This camp offers a crash course in coding your own games on Scratch. Participants will create and develop 3-4 basic games while learning many foundational computer science skills with boundless potential for creativity and expansion. Participants will come home with a mobile account containing their games to share and play with the whole family.

CSGA Enrichment

#7634 M-Th July 7-10
4 sessions \$140 1-4 pm
CHS/East: Rm 117

Robotics Problem Solvers

Entering Grades 1-6

What do R2-D2 and Roombas have in common? They're both robots! Learn basic robotic skills, including programming and building, using Scratch coding and Lego Spike Prime to create problem-solving robots.

CSGA Enrichment

#7639 M-Th July 7-10
4 sessions \$195 9 am-noon
CHS/East: Rm 117

Dungeon Adventures

Entering Grades 4-8

Learn about role playing games by joining us on an entry-level dungeon adventure. Will your group make it to safety and succeed in your quest? No experience is needed, our DM will guide you.

CSGA Enrichment

#2267 M-Th July 14-17
4 sessions \$140 1-4 pm
CHS/East: Rm 116

Strategy Game Buffet

Entering Grades 6-12

Learn and play some of the latest multi-player tabletop strategy games. Introduce yourself to deck building, worker placement, and cooperative games such as Settlers of Catan, Machi Koro, Exploding Kittens, Godsforge and more.

CSGA Enrichment

#7571 M-Th July 14-17

Drone Racing

Entering Grades 3-9

Learn how to fly like the pros in the Drone Racing League by training on a flight simulator. Once you learn the basics of flying, assemble your very own drone to take home after camp. After learning drone safety and maintenance, participants will take their drone to the skies and compete in numerous races and challenges. Led by experienced instructors, participants will leave camp with the skills and knowledge to pilot their drones and keep them running. The drones used in camps have cameras and are perfect for entry level pilots.

COR Robotics

#7570 M-W June 9-11
3 sessions 9 am-noon
\$90 without drone
\$130 with drone (UFO 4000)

#2500-B Tu July 22
#2500-C F Aug 29

Project Runway

Entering Grades 4-8

No experience necessary. New summer projects. A comfy pair of shorts, a water bottle bag, a crisscross headband and more. Participants will make, showcase, and take home all their projects. Hand and machine sewing techniques are taught with safety first always in mind. The final day is a showcase where friends and family are invited to see the projects in action. Think, learn, and play well with YEL.

Youth Enrichment League

#2008 M-Th July 14-17
4 sessions \$150 9 am-noon
CHS/East: Rm 111

Sewing Studio

Entering Grades 6-12

Make or fix your own clothes. Create a purse, a pillow, a blanket, or even a costume. Start with basic stitches and patterns and learn to create original hand and machine-sewn designs.

CSGA Enrichment

#2502 M-Th July 7-10
4 sessions \$195 9 am-noon
CHS/East: Rm 111

Woodworking 2.0

Entering Grades 4-7

Build a paddle boat, a bird house, trophy stand and garden tote. Builders will learn to measure, cut, sand, paint and then take home each project they build. This class educates participants on the use of basic tools (hammers, nails, screwdriver, measuring tape, T-square and more). SAFETY IS OUR FIRST PRIORITY. No power tools will be used in this class. NOTE: Participants should be comfortable cutting using a small saw as well as using other hand tools. Wear clothes that can get paint on them.

Youth Enrichment League

Music Together

Outdoor Venue Newborn to Pre-K with adult

Discover the joy of making Music Together. Sing, laugh, move and learn along with your baby, toddler or preschooler for 45 minutes of pure fun each week in these award-winning classes.

- ◆ BOND more closely with your child through song
- ◆ MAKE NEW FRIENDS for both you and your little ones.
- ◆ SUPPORT your child's overall development, knowing that music learning supports all learning.
- ◆ HELP YOUR CHILD learn to sing and dance as naturally as they learn to walk and talk.
- ◆ HAVE LOADS OF FUN (because children teach themselves through play!)

We bring families together in a warm, supportive environment with the goal of having everyone feel comfortable singing, dancing and jamming.

Because young children learn best from the powerful role models in their lives, our engaging classes show parents and caregivers how to help their children become confident, lifelong music makers just by having fun and making music themselves. Classes are mixed age so siblings can be together.

Infants under eight months on the first day of class attend free with a paid sibling.

Receive a CD, a code to download the music, an illustrated songbook, and parent education materials.

8 sessions Th June 26-Aug 14 Golden Lake Park

#1017-A 9-9:45 am
#1017-B 10-10:45 am

\$174 first child/*\$96 additional child.

No charge for children under 8 months old with registered sibling. *Discount in rate applies towards siblings in the same household.

Infants attending without a registered older sibling pay the full class fee.

Free Demo Class

Visit a FREE demonstration class to see if this program is a good fit for your family. Demo classes are free but registration is required. One demo per family please.

Intro to Centennial Marching Band

Entering Grades 8-10

Calling all Centennial band students entering grades 8, 9 and 10! Would you like to get a glimpse of what it's like to be in the Centennial High School Marching Band? Then this is the place for you!

Expect to spend four days with Mrs Scheibe (CMS) and Mr Kuehn (CHS) learning what the marching band at Centennial is all about. Learn music and marching techniques, receive music that you will get to keep, and most importantly make some new band friends! In just four days you will go from a marching beginner to performing an actual marching band show for family and friends on the field at the high school!

Students must bring their own instrument and have comfortable athletic shoes. Students that play school-owned instruments or are Percussionists need to communicate with a director so we can prepare instruments for you.

When registering you **MUST** list the instrument you play and T-shirt size! To receive a camp t-shirt, you must register by July 21, we can't guarantee a t-shirt after this date. Please make sure you provide a current email address for communication.

Social Emotional Skills Mini Class

Ages 6-12

We have arranged the short classes to take place in advance of our summer camps to review or learn techniques to best navigate social settings, group activities, and guided instruction in our various summer camps.

Mental health practitioners from Lee Carlson will lead participants through instruction covering basic coping skills, emotional regulation, and emotional identification.

All participants must complete a consent form that will be sent to the email used for registration.

Children of all abilities are welcome, including those who may have special needs.

Lee Carlson Center for Mental Health and Well-Being

#6062-A June 9

#6062-B June 23

#6062-C July 14

#6062-D July 28

#6062-E Aug 4

Classes Dates to be Announced

Please sign up on the waitlist to receive details

Class will run sometime between June and August. Visit isd12.ce.eleyo.com and add the participant to the waitlist to receive additional communications once specifics are known. Taught by Abbey Sculley, certified American Heart Association instructor, Emergency Medical Technician (EMT)

Confident Home Alone

Ages 8-11

Learn skills to be more comfortable home alone. Discover personal strengths and challenges as they relate to being unsupervised.

We'll focus on awareness of your surroundings both in and outside the house. Prepare for potential emergency situations for yourself and others who may be in your care. Basic First Aid will be covered.

Discussions and demonstrations provide an overview on topics like: cooking, emergency preparation and plans, weather emergencies (what to have on hand and what to be aware of), hazardous materials and their storage, strangers, spending time with friends, etc. Bring a lunch with beverage.

#6701 RL/ECC: Rm 101
9 am-noon or 12-3 pm \$45

Confident Sitter Ages 11+

Learn skills to be a confident babysitter. Prepare for potential emergency situations with an overview of choking and basic first aid specific to infants and children. Discover personal strengths and challenges as they relate to caring for children. Discussions and demonstrations provide an overview on how to interact positively with children, manage challenging behaviors, prepare meals and snacks, diaper and bottle feeding. Bring a lunch with beverage and a doll.

#6702 9 am-3 pm RL/ECC: Rm 101
\$78 (includes bag and manual)

Confident Sitter First Aid, CPR & AED Ages 11+

Prerequisite: Completion of Confident Sitter or basic babysitting knowledge. Take basic child care a step further in this small class featuring individual attention for each participant's review and demonstration of skills.

Successful completion will certify students in basic first aid, CPR and AED for infants, children, and adults - an important asset for a babysitter. Learn to recognize and treat life-threatening emergencies including cardiac arrest, broken bones, bleeding, choking, allergic reactions, diabetic emergencies, etc.

Must be committed to taking the topics seriously to receive certification indicating mastery of skills. Receive a Heartsaver CPR AED Completion Card and student workbook (a \$25 value). Bring a lunch with beverage.

#6703 9 am-2 pm
\$88 RL/ECC: Rm 101

Gymnastics

Gymnasts of all ages and abilities will learn the basics of gymnastics while improving strength, coordination, flexibility, balance, agility, confidence, and social skills for children of all ages and abilities.

Lead Instructor Kelly Border. All classes are held at the Centennial High School East Building in the gymnastics room across from the pool locker room, use entrance N52. **With the exception of Wiggle Time, parents/guardians asked to wait for children near the gymnastics room. You may want to bring a chair.**

Wiggle Time-Parent/Child Ages 2-3

Children will use mats, parachutes, trampoline, and other equipment to explore and discover the world around them developing fundamental movement and problem solving skills. This is a great opportunity to get in the gym with your child and play in a safe, fun, semi-structured environment. Children run, tumble, and spend time with you, while developing their gross motor skills. Class consists of 10 minutes of group time, 30 minutes of open (semi-structured free time) and five minutes of group time at the end of class.

Little Tumblers Age 3-4

Must be potty trained, able to follow basic instructions and be comfortable in a group without parent

Developing gymnasts will learn basic and fundamental gymnastics skills in a safe, fun, age appropriate, structured environment. No tights. Socks or bare feet only.

Tumblers Age 5-7

Gymnasts will learn basic tumbling skills (forward and backward rolls, cartwheels, handstands, basic jumps and locomotor skills) and discover the basics on bars, balance beam, and vault. More advanced Tumblers will work on: Intermediate skill progressions on floor, bars, balance beam and vault. New skills introduced include: back bends, front and back handsprings on floor, back hip circles, and stride circles on bars and cartwheels on low beam.

Twisters Age 8+ All Gymnastic levels

Gymnasts will work on skills according to ability. After initial group warm-up, gymnasts will be divided each session according to skill level from Beginner I to Intermediate.

Advanced Gymnastics Invitation only

Contact us if you believe you may be eligible. Gymnasts invited to this class will be required to have advanced skills on most events, have a strong work ethic, and desire to excel at a faster pace.

Open Gym

Entering Grades 1-6, all skill levels

Open gymnastics is a non-structured, supervised time to practice gymnastics skills and have fun. All participants must sign in upon arrival. \$5/person at the door. No preregistration required.

“Floor is Lava”

Adventure Challenge Age 5-12

Jump, climb, and balance your way to safety in this fun-filled “Floor is Lava” class. Kids will use their imagination while developing coordination, teamwork, and problem-solving skills as they navigate obstacle courses designed to mimic the classic game. Perfect for young adventurers who love a challenge.

High School Gymnastics

Prep Class Ages 12+

Ready to take your gymnastics skills to the next level? Join our fun and dynamic High School Gymnastics Prep Class, designed for gymnasts who are looking to prepare for high school gymnastics. Taught by a former 5-year varsity high school gymnast and Centennial Teacher, this class will give you the tools and confidence you need to excel in your high school gymnastics career. Whether you're looking to master your tumbling, improve your bar skills, fine-tune your balance beam skills, or even create routines for all events, our expert coach will guide you every step of the way. With personalized coaching, a focus on technique, and a fun, supportive environment, you'll build strength, flexibility, and confidence to help you shine on various events. Get ready to nail your high school gymnastics tryouts and set yourself up for success in the season ahead. Let's flip and twist into high school gymnastics together.

Birthday Parties

Plan your Birthday or Special Day with Us!

Up to 15 children, Age 4-12

1½ hours Sat Afternoons

Spend the first hour doing gymnastics or playing in the pool. The last half hour is reserved for refreshments you would like to provide or a gift opening. Chairs and tables provided with decorative table coverings.

All participants must have a signed waiver to participate. Party host must remain on site for duration of your party.

Pool Parties

Swim, relax and enjoy your child's birthday or special occasion in our indoor pool that is especially reserved for your child. Certified lifeguard on duty but parents/guardians must accompany swimmers who cannot swim the width of the pool with front crawl, non-stop with rhythmic breathing. Call 763-792-5240 for availability.

Gymnastics Parties

Throw an energized party where guests will tumble, flip, swing and dangle in a safe, fun gymnastics environment. Start with a short warm up and then choose from three combinations of activities to customize your party. Gymnastic staff on hand at all times to supervise and lead gymnastic activities. Reserve your date today!

Call 763-792-6100 for availability.

\$175 CHS/East: Lower Level

Have a special date or time to request outside those listed?

Please contact us and we'll see if we can make it work.

Youth Recreation & Sports

Cougar Strength Weight Training Entering Grades 6-12

You must be a Centennial student to enroll in this course.

The Cougar Strength Summer Program is a competitive and engaging training experience designed to help Centennial athletes enhance their strength, speed, and overall athletic ability. Through a combination of advanced strength training, explosive speed drills, and agility exercises, participants build the skills needed to excel in their sports. The program fosters a fun yet challenging environment, encouraging athletes to push their limits while promoting teamwork, discipline, and a winning mindset. Led by experienced coaches, this program is ideal for those looking to stay in peak condition and gain an edge for the upcoming sports season. It is time to prepare to raise the standard at Centennial in the 2025-26 school year!

There will be no make-up for canceled sessions due to its low price. Sessions will take place both outdoors and indoors. Participants check in on Turf 2 or the grass field near it. If weather is a factor, watch your email/text for instructions. Please follow @CougStrength on "X" for updates as well.

#6300 M-Th June 9-July 31. No June 19, June 30-July 3 27 sessions \$99 CHS: Turf 2 & Weight Room

6:45-8:30 am (Session 1 & 2)

Session 1: Incoming 11th/12th Grade Boys

Fall/Winter Contact Sports-Football, Wrestling, Hockey

This upperclassmen group is high intensity, competitive, data driven and will be fast paced. It will be assumed that individuals in this group will have some previous strength training experience.

Session 2: Incoming 9th/10th Grade Boys

Fall/Winter Contact Sports-Football, Wrestling, Hockey

This high school group is high intensity, competitive, data driven and will move at a fast pace. Athletes will learn to follow a specific program for improving the athlete. Progressions and groupings will be developed based on the individuals experience.

8:30- 10 am (Session 3 & 4)

Session 3: 9th-12th Grade Females - ALL SPORTS

This high school group is high intensity, competitive, data driven and will move at a fast pace. Athletes will learn to follow a specific program for improving the athlete. Progressions and grouping will be developed based on the individuals experience.

Session 4: 9th-12th Boys - Basketball, Lacrosse, Baseball, Soccer, Swim, Track/XC, Volleyball, Ski, Golf

This high school group is high intensity, competitive, data driven and will move at a fast pace. Athletes will learn to follow a specific program for improving the athlete. Progressions and groupings will be developed based on the individual's experience.

9:45-10:45 am (Session 5 & 6)

Session 5: 8th Grade Males - ALL SPORTS

This group will be geared for athletes that want to move at a faster pace, increase intensity and prepare you for what you will experience as a high school athlete. This group will be set up like our first three sessions following a progression and mastering foundational movements.

Session 6: 7th Grade Males - ALL SPORTS

This group will be geared for introducing athletes to the High School Cougar Strength movements while following a systematic progression to ensure that athletes are becoming proficient in our building block movements.

10:15 - 11:15 A.M. (Session 7 & 8)

Session 7: 7th/8th Grade Females - ALL SPORTS

This group will be geared for athletes that want to move at a faster pace, increase intensity and prepare you for what you will experience as a high school athlete. We will spend a lot of time learning foundational movements while learning about injury prevention and athletic performance.

Session 8: 6th Grade Males/Females - ALL SPORTS

This group will introduce the athlete to the movements performed in Cougar Strength. Through a fun and high energy atmosphere, athletes will learn proper speed/agility mechanics, proper jumping mechanics & introduced to resistance training

High School Swim & Conditioning Entering Grades 7-12 See page 55

Archery Club

Entering Grades 2-8

Explore archery as a lifetime sport while developing National Archery in the Schools Program (NASP) target archery skills. Learn safe techniques and practices; acquire skills related to effective communication, cooperation, rules, and respect in a group; use practice to improve skills and reach goals; rehearse good sportsmanship and gain exposure to the value of natural resources and the outdoor community.

Equipment provided (Genesis Compound bows) via the Minnesota Department of Natural Resources (NASP), National Wild Turkey Federation (Struttin' Toms Chapter), Minnesota Deer Hunters Association (Lakes Chapter), Minnesota Bowhunters, Inc., Centennial Community Education and Anoka County Youth Initiatives Grant.

Coach Pitch Baseball

Ages 6-10

Coach-pitch baseball is for players who are a little more advanced than T-ball. If registration numbers allow, we will group players based on age. The coaches will pitch the ball to the batter overhand, instead of hitting off a tee.

Players need a glove, helmet, and water bottle. Fee includes a T-shirt and hat. We do need volunteer coaches, 2 per team. Coaches will receive a refund on one child's registration fees, a free team T-shirt and hat.

We are using fields at Golden Lake and Centerville Elementary. Please indicate your preferred location during registration. We will do our best to honor your location preference, but we will group by age first.

Teams will practice and play games at one of those two locations. Approximately 6-7 or 7-8 pm. Practices on Tuesdays will share field and green spaces. Coaches will call their own games on Thursdays, no umpires.

We will try and honor one friend request per player - please note this at time of registration, and they must be reciprocated by the other party. Each location will have four teams, with a max of 12 players per team.

Deadline to register is Tuesday, May 22. No refunds after this date.

12 sessions \$87 Tu/Th June 3-July 24

Boys & Girls Basketball Open Gym

Entering Grades 4-12

Preregistration Required. No walk ups!

The Centennial Middle School gyms will be open on Tuesday, Wednesday and Thursday nights from 7-9 pm for boys and girls basketball players to practice their skills. A gym supervisor will be onsite for the duration of the open gym. High School coaches may be present on occasion to offer assistance; however, this is not an instructional program - just a chance for athletes to work on their game. Participants will check in each night with the supervisor. There is no open gym on June 19 & the week of July 1-3.

Cougar Girls Soccer Camp Entering Grades 8-12

Join the Centennial High School girls' soccer coaching staff for a pre-season camp that is designed for those who are interested in playing high school soccer for the 2025 fall season. The camp will challenge and educate players on their individual attacking and defending principles. Each day will have a focus on the principles and player actions that the Centennial girls' soccer team applies during the four phases of the game: In possession, out of possession, transitioning in to out, transitioning out to in. Camp is facilitated by varsity coach, Manny Cobo, and members of his staff. Camp includes a T-shirt. Indicate size when registering. T-shirt deadline July 10.

Cougar Soccer Academy

Entering Grades K-3

Serious about your soccer development? Then we want you in Cougar Soccer Academy - the highest level of technical and tactical advancement, for boys and girls, with curricular-based learning at its best. Start with 60 minutes of training followed by a 30-minute futsal game for friends and family to watch. We're building a pathway to excellence in our community. Participants must carry in clean, dry shoes to wear in the gym. No street shoes. Bring a labeled water bottle. Water only in the gym. No food, sports drinks, coffees or other beverages allowed in the gym by participants or spectators.

Summer Recreational Soccer

Entering Grades K-5

Centennial Soccer Club will be leading the 2025 Summer Recreation Soccer Program! Practice time has a focus on age-appropriate training that will include ball control, dribbling, passing, shooting, defending, and teaching the basics of the game. Practices will be 50 minutes long. Sessions are led by volunteer coaches. Schedule, field information, roster, etc. will be powered by Sports Engine App (more info will be sent out as teams are formed). Bring shin guards, cleats, and a soccer ball (size 3 for grades K/1 and size 4 for grades 2-5). Everyone will receive a Centennial Soccer Club jersey. Indicate t-shirt size when registering.

#6381 13 sessions \$130 Wed & Sun, May 18-July 9
No soccer May 25, July 2 & July 6 RL: Soccer Fields
 Wed practice: 1 hour between 5-8 pm
 Sun games: 3 pm, 4 pm, or 5 pm

Practice and game times will be finalized prior to season start. Game times will vary. Practice time will be consistent.

Summer Kickoff: May 18 Get your jersey & meet coaches! Deadline to register is Sunday, May 4. No refunds thereafter.

Volunteer coaches needed!

If you can help, please volunteer to be a coach. All volunteers get a free season for one child's enrollment per team coached. Coaches meeting date TBD.

FALL RECREATIONAL SOCCER
NOW OPEN FOR REGISTRATION, see page 56.

For after school soccer- see page 43

Tenicity Tennis

Tenicity is led by Harsh Mankad, a Gopher Hall of Fame inductee, former ATP professional player, and USTA award-winning tennis program leader.

All of the coaches are personally trained and certified by Harsh to ensure they effectively teach stroke development and fundamentals in line with Tenicity's proven developmental system.

"Try Tennis" Clinic Ages 5-17

In celebration of National Tennis Month, we invite participants ages 5-17 to try tennis and bring along their friends to the new Middle School Tennis Courts! Participants will learn tennis skills, play games, and gain encouragement to play the sport. Event is free, but preregistration required.

Free Sat May 10 CMS: Tennis Courts

Beginner Tennis Camps & Lessons

Ages 5-16 Specify your child's age when registering

Give your child an unforgettable summer and build your child's journey into the lifelong game of tennis with Tenicity's expert-led camps or lessons. Trained coaches will teach the fundamentals while inspiring a love for the game. Each day follows a structured plan, progressing players through Tenicity's Beginner Development Path. Along with tennis instruction, we focus on positive youth development through sports, integrating valuable life lessons as part of the overall learning experience. Program Skill Levels: Participants will be grouped by both age and skill level to ensure appropriate placement. The structure below ensures that each player receives appropriate training tailored to their level of development.

- ◆ Beginner Stage 1: For new players with little or no prior tennis experience.
- ◆ Stage 2 or 3: For players with previous training, placed according to their current abilities as assessed by coaches.

Cougar Volleyball Camp

Entering Grades 4-9

Join the high school girls' varsity coach and players for camp. Beginners will learn the fundamentals and increase individual skills while being introduced to team play. Boys in grades 4-6 may sign up for the Beginner session. In addition to basics, grades 7-9 will work on offensive and defensive skills. Advanced players will have more team play and strategy added onto individual skills. Grades 7-9 may sign up for both sessions but will be separated by level of skill for safety reasons. Bring knee pads and a labeled water bottle. Camp includes T-shirt. Please provide T-shirt size when registering.

More Than Pink Girls Grades 4-7

New topics and more fun added for 2025, so if you participated in the past, you can come back!

Grades 4-5 will meet together and grades 6-7 with meet together.

More Than Pink is a program to inspire girls to stay true to themselves and live free from societal stereotypes. This 5-week program innovatively weaves training for a 5K run with lessons that empower girls to celebrate their bodies, honor their voices, and embrace their gifts. All athletic abilities are welcome. More Than Pink works around summer schedules, camps and vacations. Even if girls are going to be gone for a day or for a week, they are still able to participate in the program. Information that is missed on certain topics will be handed out to the girls so they will still get the information.

A More Than Pink day consists of 50 minutes of a fun fitness activity and 50 minutes of a life lesson. This program meets three days a week. Topics may include friendship, team building, confidence, emotional intelligence, kindness, collaboration, interpersonal communication, individuality. We will be having women come from politics, fitness industry, and even professional sports team to come and speak to the girls.

More Than Pink Goals:

- ◆ To help girls grow and develop physically, mentally, and socially with local community support.
- ◆ To empower girls to be true to themselves at home and school, with self-image, friends, and activities.
- ◆ To provide resources and tools to help them not succumb to peer pressure, live with less stress, and become who they want to be.
- ◆ To measure fitness goals throughout the 5-week program.

The program builds throughout the summer and culminates in the girls, and others, running/walking a celebratory More Than Pink 5K on Monday, August 4 in the evening (Aug. 5 rain backup). Family and friends are welcome and encouraged to join the run! This is not a competitive race but a celebration of empowerment and inspiration! Family and friends can pay \$5 the night of the run to participate.

15 sessions \$119 Tue-Thurs July 8-Aug 7 9:30-11:30 am West Learning Commons
 #6306-A Grades 4-5 #6306-B Grades 6-7

Join us for a special More Than Pink Sampler Designed for girls in grades 4-7 where participants can get a taste of what this empowering program is all about

This session will feature a fun activity focused on building confidence, teamwork, and overall well-being. Attendees will get to experience a mix of physical movement, creative expression, and meaningful discussions - all in a supportive and uplifting environment. Whether you're a Seasoned "MTP'er" or want to try it out for the first time - this is perfect for you! P.S. A yummy snack will be provided, too!

2025

Aquatics

Lessons, training and recreational opportunities for people of all ages

When registering your children for swim classes, please remember to do so based on their current skill level and their ability to be appropriately challenged. A class level too difficult or too easy will hinder the progress of the swimmer and possibly distract others in the class as well. Your child will benefit most being in the appropriate class level, based on their ability. We're here to guide your swimmers to confidence and success. Don't put your children in the same swim class for convenience. **The Centennial Community Pool is in the high school east building. Enter through door N52 accessible from stadium parking lot from 103rd Lane NE.**

Our Aquatics program provides swim lessons aimed at teaching relaxation and comfort in the water, stroke skill development, diving, lifeguard training, open swim and more to area youth and adults. Programs run year round with limited class time in the fall and winter due to swim team use of pool.

Cancellation & Makeup Classes

Make-up swim lessons are not available when participants are unable to attend their scheduled group lessons. In case of emergency closure, lessons will be extended at the end of the session.

If your child has special needs or you have concerns

If your child has special needs or you have concerns about your child, talk to the instructor on the first night to help the instructor better adapt and/or understand the needs of your child with the focus on continued growth in developing their swimming skills.

Diaper-aged children or participants experiencing habitual accidents are required to wear a swim diaper covered by a swimsuit, as recommended by the Minnesota Department of Health.

Registration questions, call 763-792-6100 or email cceonline@isd12.org
General swim questions call 763-792-5240

Learn to swim in progressive classes

When choosing lesson skill levels, choose the one that most closely fits, making note of any prerequisites.

It is common for some children to repeat a level several times before mastering all skills and advancing to the next level. Help your child's progress by making sure they attend each class, as each new skill builds on those learned in previous classes. All instructors are American Red Cross certified in water safety instruction and/or lifeguarding.

Unsure of what level you should register your child?

Call the pool at 763-792-5240 to arrange an appointment for testing.

Pool Temperatures

Centennial Community Pool is a multi-purpose pool serving all ages. It's impossible to maintain a temperature suitable for all swimming activities. Some may find it too warm, and others too cold. Size, depth of facility and required chemical treatment impact the overall temperature. The water temperature cannot be raised beyond a certain degree as chlorine-based disinfectants become less effective and increase the possible multiplication of bacteria and other microorganisms.

Pool Temperatures

84 degrees - End of February to the 1st week of August

80-82 degrees - 1st week of August to end of February

During high school competitive swim season, Minnesota State High School League requires all pools to be 82 or below. In comparison, surrounding community pools are set at the same temperatures; hotel pools, 80-83 degrees; college competitive pools, 78-80 degrees; and therapeutic pools, 94-96 degrees.

Parents of children up to five years old may want to add a T-shirt or a wet suit to increase body insulation. Increased movement will also increase body temperature.

Swim Class Levels

Tiny Tots Age 18 months-3 years with parent

Parent is in the water with their child working one-on-one to foster comfort and enjoyment. Participants advance at individual pace in a playful and positive environment. Skills taught: water adjustment, blowing bubbles, underwater arm reaches, flutter kicks, back floats with help, and jumps into the water. Families with multiple children must have an adult accompany each child. Advance to Poly Wogs. Limit 10.

Poly Wogs Age 3-5 with parent

Parent is in the water with their child working one-on-one to advance at individual pace in a playful and positive environment. Skills taught: review 'Tiny Tot skills, plus jump into water and swim two black lines to parent then return to edge without help, and one pool width each of puppy paddle and monkey airplane soldier with help. Flotation belts are available to help children gain confidence and independence. Families with multiple children must have an adult accompany each child.

Bobber Age 5-6

Introduction to swimming for children who are not comfortable in the water or have no previous lesson experience Participants will develop comfort with water, correct body position and be introduced to swimming on their front and back. Advance to Poly Beginner 1. Limit 4.

Poly Beginner 1 Age 5-7

Children who are comfortable in water and have some lesson experience (Poly Wog, Tiny Tot, etc. or equivalent skills) Children will wear flotation 'belts for several classes to gain confidence and independence while stressing correct body position. Final test taken without belt. Skills taught: floating on front and back, swim on front and back whole width of pool with arm and leg action. Advance to Poly Beginner 2. Limit 6.

Poly Beginner 2 Age 5-7

Prerequisite: passed Poly Beginner 1 or have equivalent skills. Skills taught: review of Poly Beginner I skills, plus front and back glides in the streamline position, and one pool width of front crawl while blowing bubbles with face submerged. Introduced to rhythmic breathing. Children will wear flotation belts for maximum of two classes to review correct body position. Advance to Poly Beginner 3. Limit 6.

Poly Beginner 3 Age 5-7

Prerequisite: passed Poly Beginner 2 or have equivalent skills.

Skills taught: review of Poly Beginner II skills, plus diving using the sitting and kneeling position, retrieval of a submerged object, treading water, and one pool width each of back crawl and front crawl with rhythmic breathing. Introduced to whip kick. Advance to Red Cross Level 3. Limit 6.

Beginner Age 8+

Introduction to basic swimming skills. Skills taught: general comfort in the water, correct body position, and one pool width each of puppy paddle and monkey airplane soldier. Introduced to front crawl with rhythmic breathing. Advance to Advanced Beginner. Limit 6.

Advanced Beginner Age 8+

Prerequisite: passed Beginner or have equivalent skills. Skills taught: review of Beginner skills, plus diving using the sitting and kneeling position, retrieval of a submerged object, treading water, and one pool width each of back crawl and front crawl with rhythmic breathing. Introduced to whip kick. Advance to Red Cross Level 3. Limit 6.

Red Cross Level 3

Prerequisite: passed Advanced Beginner, Poly Beginner III, or have equivalent skills. Skills taught: 25 yards each of front crawl, back crawl, and elementary backstroke, diving using the sitting, kneeling, and standing position, and treading water. Introduced to dolphin kick and breaststroke. Advance to Red Cross Level 4. Limit 10.

Red Cross Level 4

Prerequisite: passed Red Cross Level 3 or have equivalent skills. Skills taught: review of Red Cross Level 3 skills, plus 50 yards each of front crawl, back crawl and elementary backstroke, 25 yards of breaststroke, 15 yards of butterfly, scissors kick, treading water, and rescue breathing. Advance to Red Cross Level 5. Limit 10.

Red Cross Level 5

Prerequisite: passed Red Cross Level 4 or have equivalent skills. Skills taught: review of Red Cross Level 4 skills, plus 100 yards each of front crawl, back crawl, and elementary backstroke, 50 yards of breaststroke and sidestroke, 25 yards of butterfly, turns, standing dives from the board, and surface dives. Advance to Red Cross Level 6. Limit 10.

Red Cross Level 6

Prerequisite: passed Red Cross Level 5 or have equivalent skills. Skills taught: review Red Cross Level 5 skills, plus 200 yards each of front crawl, back crawl, and elementary backstroke, 100 yards each of breaststroke and sidestroke, 50 yards of butterfly, approach and hurdle from the board, pike and tuck dive from the board, general swimming etiquette, and CPR.

Ladies & Lanes Ages 16+

This class is designed exclusively for women and female-identifying individuals ages 16 and older who are looking to gain confidence and learn how to swim in a supportive, comfortable environment. Led by a certified female instructor, this course focuses on building foundational swimming skills, water safety, and overcoming any fears of the water—all at your own pace. Whether you're stepping into the pool for the first time or looking to refine basic techniques, this class is a judgment-free space to grow your abilities alongside others.

Strength & Stroke Ages 11-18

Dive into a dynamic swimming class designed for proficient swimmers who want to enhance their fitness and take their skills to the next level! In this twice-weekly program, participants will focus on swimming for fitness, endurance, and strength. Each session combines lap swimming with dryland strength training, including lifting techniques, to complement aerobic conditioning and build overall power.

This class is ideal for kids who love swimming and want to stay active while improving their strength and stamina. Participants must have passed Level 5 swimming or an equivalent program to ensure readiness for this fitness-focused approach. Join us in the pool and on land to challenge yourself, stay fit, and have fun! No lessons July 6.

Prerequisites: Participants must be able to:

- ◆ Swim front crawl and backstroke for 50 yards
- ◆ Swim breaststroke and butterfly for 25 yards
- ◆ Perform a shallow-angle dive into deep water
- ◆ Tread water for 2 minutes

Private or Semi-Private Lessons

Personalized high-quality swim instruction for those with special needs where class settings are challenging, or if your child cannot be independent in a group setting. Lessons offer 1:1 for private or 2:1 for semi-private instruction to help you improve on your skills and be successful.

Eight 30-minute lessons for \$300.

Our coordinator will work with you to determine the dates and times of each lesson. Call 763-792-5240 and leave an evening phone number. You will be called after registration deadlines.

Looking for our CAL offerings? (Cougar Adaptive Lesson)

No worries, we have changed our procedure for signing up but are still offering these lessons. Call 763-792-5240 with the following information:

- ◆ Name, age of child needing lessons
- ◆ Swim lesson history
- ◆ Specific support you are looking for (i.e. ASD learning, fear of water)
- ◆ Days and Times that work for your schedule.

Open Swim

Sundays, June 15-August 3 6-7:30 pm

Children under 12 must have passed ARC level 3 or be able to swim 25 yards of front crawl with rhythmic breathing to swim on their own during open swim. All others must have a parent or adult guardian in the water with them. All children 6 years of age and under must have an adult guardian in the water with them regardless of swimming ability.

WIBIT inflatable obstacle course available during open swim mid-March until mid-August. Only for those who can pass a swim test. No life jackets allowed on the WIBIT.
\$2 Per Person Pay At The Door. No open swim on July 6.

Fall Recreational Soccer Program

Entering Grades K-5 in Fall

Centennial Soccer Club introduces age-appropriate, individual technical development and the tactical concepts of soccer to children in kindergarten through 5th grade. Practices and games will include ball control, dribbling, passing, shooting, defending, and teaching the basics. All sessions are led by volunteer coaches. Schedule, field info, team info, etc will be powered by the Sports Engine App (more info will be sent out).

#6381F 16 sessions \$150

Rice Lake Elementary-southeast soccer fields

Season: Wed & Sat, Aug 16-Oct 11 (No Soccer Aug 27 & 30). Practice Wed will be 45-minutes long between 5:30-7:30 pm Games played on Sat mornings between 9 am-12:30 pm. Bring a soccer ball: Grades K/1 size 3; Grades 2-5 size 4. Please wear soccer cleats, and shin guards.

Registration Deadline: August 6. No refunds thereafter.

Volunteer coaches needed!

If you can help, please volunteer to be a coach. All volunteers get a free season for one enrollment per team coached. Coaches meeting date TBD.

Mini Cougar Dance Clinic

Entering Grades K-6

Join the CHS Dance Team for an evening of dance, pizza and fun. Learn a dance routine from the high school dancers and coaching staff to perform during a Centennial home varsity football game at the CHS Stadium, 7 pm. Practice for the performance will be on the Thursday before from 5:30-7:30 pm. Wear comfy athletic clothes, tennis shoes and bring a water bottle. On game day, drop your dancer off at the CHS West cafeteria at 6:30 pm to practice before the game. After the half-time performance, pick up your dancer on the sideline to watch the remainder of the game. Family members will need to pay to attend the game. Registration fee includes a t-shirt, pizza on Thursday, game entry fee for dancer and dance instruction.

Indicate T-shirt size when registering. Registration closes two weeks before the football game, spots permitting.

Kids Club School Age Child Care

Kids Club - where we build, we tinker, we paint, we work together, and we create friendships in Centennial Community Education's choice-based school-age care program.

Centennial Kids Club is a fee-based school age childcare program serving families and their children before and after school at each of our elementary schools. We also offer care on non-school days and throughout the summer at limited locations. Space is limited and does fill, so register early.

Kids Club provides a safe, stimulating high quality program with an enriching educational and recreational environment, enhancing development of children in critical thinking, academics, self and social awareness, physical development, creative expression and recreational activities.

Kids Club utilizes Character Strong, a SEL (Social Emotional Learning) curriculum. Character Strong focuses on nine different traits: Respect, Responsibility, Gratitude, Empathy, Perseverance, Honesty, Cooperation, Courage, and Creativity.

2025 Summer C.A.M.P.

Creative Arts, **A**cademic Enrichment, **M**ingling with our World, **P**hysical Fitness

Kids Club offers a summer program for children enrolled and planning to attend kindergarten through grade 6, and can use the bathroom independently.

C.A.M.P. runs Thursday, June 12 through Friday, August 15

Limited care available August 18-21 at Rice Lake. We are closed June 19, July 4. Register early!

Our summer sites are Blue Heron, Centennial and Centerville elementaries. Space will be limited at each site.

Registration is a Pick Your Days process, with a minimum of 18 days.

It's great for families that need care all summer or those that are just looking for something for their child to do.

Families are responsible to choose their days at the time of registration. For rates and more information, please check our website communityed.isd12.org/kids-club, and click on Summer Registration.

Children are organized by grade into groups. Each room environment features age-appropriate centers with games, blocks, manipulatives, arts and crafts, reading center and creative play area. Outdoor recreational experience happens daily as well. We go on weekly field trips and swim at the Centennial Pool most Mondays.

Summer Registration Fee: \$55 - Registration began February 17 and continues through May 12 on a first come, first served basis, space permitting. Registration is closed from May 13-June 16. Registrations received after June 16 will start as soon as possible after June 24, space permitting.

2025-26 School Year Enrollment

Registration is available at all 5 elementary schools, before and/or after school.

Care is also available at select sites on Non-School Days (NSD). **Space is Limited.**

Registration Windows:

1. March 31-April 14: Families currently attending Kids Club or Pre-K Kids Club.
2. April 28-May 12: Families new to Kids Club. Space is limited.
3. June 16: Registration remains open, accepted on a first come, first served basis.

During the school year, Kids Club operates out of the cafeteria. We offer gym time, outside, manipulative play, STEAM activities, and more.

For more information or to view rates, please visit our website communityed.isd12.org/kids-club, and click on School Year Registration.

For registration or other questions, contact kidsclub@isd12.org or 763-792-6193.

Do you enjoy interacting with children?

Kids Club is looking for quality staff to work before and after school as well as substitutes to work in our before and after school programs at all five elementary schools.

We are also hiring summer staff.

Must be 16 years of age.

Please apply online at isd12.org/join-our-team.

For more information call 763-792-6110 or email mnelson@isd12.org.

Early Childhood Family Education

ECFE Programming for families with children ages birth to kindergarten

Learn and grow together through parent and child interaction, guided play and learning experiences, parent education, and special events. Visit earlychildhood.isd12.org for class and registration information, or call 763-793-6120.

Register via Eleyo at isd12.ce.eleyo.com

All activities are held at the Early Childhood Center at Rice Lake Elementary unless otherwise noted. Enter Door C.

Truck Day Sat, May 3, 10 am-noon

Rice Lake Elementary FREE

It's an annual tradition for the community!

The ECFE Parent Advisory Council invites children of all ages to come see a variety of vehicles. Adults can purchase themed baskets and bid on silent auction items. This fundraiser for Early Childhood programs has raised money for the Early Childhood playground, indoor play equipment and field trips.

ECFE 2025-26 Class Information

The 2025-26 ECFE class schedule will be available online in late-April, with registration opening May 15. Class placement lottery takes place June 1. Check our website at earlychildhood.isd12.org or call our office at 763-792-6120 for more information

Early Childhood Screening

Early Childhood Screening is a free program in Minnesota that assesses a young child's health and development. It connects parents and children to early childhood programs, community resources, and helps support successful learners. Screening should be completed between the ages of 3 and 5 years old, and it is required for public school attendance. For more information and to schedule an appointment, please visit our website.

earlychildhood.isd12.org/programs/early-childhood-screening

Little Nature Explorers

Sat, April 12 or May 10, 10-11:15 am

Ages 2 ½-5 years with caregiver

In this one time class we will explore nature's playground. We will sing songs, read a story, and explore the outdoors with our senses. You will come away from this class with some simple ideas you can implement on your own for exploration outdoors with your little ones. We will be outside the entire duration of the class time, so come in outdoor clothing for messy springtime play. \$5 per child, register via Eleyo

Drop In & Play

Two sessions each week!

Mon & Fri, 9-10:30 am through May 9

Join parent educators and ECFE Teachers for some play and socialization for both kids and adults. Ages 0-5 years with caregiver. \$3 per child or \$5 per family. No charge for infants.

Explore With Baby

Mon, 1-2 pm through May 9

Have a new baby? Looking to get out of the house and share ideas with other parents? Join us for an hour that will recharge you for the week!

Age 0-9 months with caregiver. FREE

No registration necessary

Care for siblings under age 5, \$3 per child

Centennial Preschool

2025-26 School Year Registration is open for remaining seats Ages 3 & 4 by September 1

The Centennial School District provides high-quality part-day and full-day preschool experiences designed to help children develop skills and behaviors necessary for success in kindergarten and beyond. Classrooms are located at each of the elementary schools in the Centennial School District as well as the Early Childhood Center. Tuition discounts and scholarships may be available to those who qualify.

We still have some part-day and full-day seats remaining for the coming year. Contact our office at 763-792-6120 to inquire about current openings. To register, visit isd12.ce.eleyo.com. Class options, tuition, and more information can be found on our website: earlychildhood.isd12.org/programs/preschool

Centennial Outdoor Explorers Preschool New for 25-26! Must be 3 ½ years old by Sept 1, 2025

This 4-day, Monday-Thursday afternoon class will use the wealth of natural resources surrounding the Early Childhood Center to move learning outside! Students will have the same academic, social-emotional, and physical learning goals as a standard preschool class, but activities will incorporate the natural environment. "Wargo Wednesdays" will take place twice each month, bringing students and their parents/caregivers together with naturalists at Wargo Nature Center. (Sibling care will be available.) **Space is still available! Visit earlychildhood.isd12.org to register.**

Pre-K Kids Club

Full-day Centennial Preschool classes may be combined with before and/or after school care through Pre-K Kids Club. Care is available from 6:30-9:15 am and 3:15-6 pm and on Kids Club Non-School Days. Space is limited.

Note that Pre-K Kids Club fees are in addition to preschool tuition. For more information, visit community.ed.isd12.org/kids-club/pre-k-kids-club.

For questions about Pre-K Kids Club, contact the Kids Club office at 763-792-6193 or email kidsclub@isd12.org.

Gearing Up for Kindergarten

Students entering Kindergarten in Fall 2025

Entering kindergarten is a major transition in the life of a child and their parents. Kids need to be ready for school, and schools need to be ready for kids. That's why our "Gearing Up for Kindergarten" class, taught by a licensed Centennial teacher, prepares parents and their children for success in school. Students will get experience learning with peers in a structured classroom environment, and parents will receive support through parent education resources.

Hop N' Tots Dance Pre-K

These high-energy classes focus on improving rhythm, balance and coordination. Children will use props such as tambourines, scarves and pom poms to learn basic tap, jazz and ballet steps. Dancers should wear clothing that is comfortable and easy to move in. All dancers will need tap and ballet shoes which can be ordered through the instructor on the first day of class. Tap \$35, ballet \$25.

Parents are invited to attend the last night.

Gymnastics

See pages 38-39 for class schedule and more details

Wiggle Time Parent/Child Ages 2-3

Children will use mats, parachutes, trampoline, and other equipment to explore and discover the world around them developing fundamental movement and problem solving skills. This is a great opportunity to get in the gym with your child and play in a safe, fun, semi-structured environment. Children run, tumble, and spend time with you, while developing their gross motor skills.

Little Tumblers Age 3-4

Developing gymnasts will learn basic and fundamental gymnastics skills in a safe, fun, age appropriate, structured environment. Must be potty trained, able to follow basic instructions and be comfortable in a group without parent

Swim Classes Families with multiple children must have an adult accompany each child. See pages 52-54

Tiny Tots Age 18 months-3 years with parent

Parent is in the water with their child working one-on-one to foster comfort and enjoyment. Participants advance at individual pace in a playful and positive environment.

Poly Wogs Age 3-5 with parent

Parent is in the water with their child working one-on-one to advance a individual pace in a playful and positive environment. Flotation belts are available to help children gain confidence and independence.

Kids Obstacle Mud Run Ages 4-12

Sat, Aug 9 See page 51

Early Childhood Screening

Early Childhood Screening is a free program in Minnesota that assesses a young child's health and development. It connects parents and children to early childhood programs, community resources, and helps support successful learners. See page 58

No News is Good News!

Assume the class is a go

Unless we contact you, assume that you are enrolled and the course will be held at the time and place indicated. We do not mail out confirmations, but an automated email receipt will be sent if you provide your email address upon registration.

Cancellations

Community Education reserves the right to cancel a class due to insufficient enrollment. Classes are filled on a first-come, first-serve basis. Some class sizes are limited, so early sign-up is suggested. If a class is canceled or full, you will be notified and your fee will be refunded.

Inclement Weather & Emergencies

When the regular school day is canceled because of inclement weather or emergencies, Community Education classes and activities may also be canceled. You may receive an emergency messenger system message. Also watch or listen to local TV stations, or visit the district website at isd12.org.

Refunds

A refund, minus a \$10 administrative fee, will be made if you cancel at least five business days prior to the start of an activity unless otherwise noted such as with sport leagues, adult trips and driver education classes. No refunds thereafter.

Registration Deadlines

Deadline for most activities is one week before they begin

Classes are filled on a first-come, first-serve basis. Many classes fill quickly and instructors may need to order supplies. Some classes cancel due to low enrollment, so please don't hesitate to register.

Make-Ups

There are no make-ups for a missed class (*with the exception of Driver Ed classroom*). Check your schedule prior to registration for potential conflicts.

Discounts

Financial assistance is available to those who qualify. For an application please call 763-792-6100.

As of January 1st, 2025, the UCare Community Education Discount moved to the Healthy Benefits+ Visa Card as an allowance program for members. Eligible UCare members may receive an allowance to spend toward community education classes. Members must have UCare insurance at the time of registration. Limits and restrictions may apply.

Special Needs

Individuals with special needs are welcome in any activity they qualify for and may bring a helper at no extra charge if needed. Indicate needs on registration form. Contact Community Education with questions or if you need assistance in an activity.

Check Collection Service

Centennial School District uses PayTek Solution's services when a check is returned due to insufficient funds. If collection is made electronically, the district receives the face value of the check plus a \$3 per check rebate. PayTek charges an NSF fee to the party that issued the bad check. The use of a check for payment is the check writer's acknowledgment and acceptance of this policy and its terms. After two NSFs, fees must be paid using a money order.

Photo Policy

There are occasions when representatives of District 12 and/or the media photograph or videotape students while attending/participating in school sponsored functions. Parent/guardians not wanting their child to be identified in photographs or on videotape, should notify, in writing, the Community Education office.

Please use a separate form for each person
