

The Purpose of this Addendum is to provide questions and responses to RFP EN-207929 Plants, Horticulture Products, and Supplies, along with an updated price list where line 14 is added as a discount line.

1. Do we need to include the delivery of plants?

Yes, only when it's a big number of plants, shrubs, pallets of mulch, or big-size trees
(Ex: 30-to-60-gallon trees).

2. Should installation be included in the line-item pricing or does the district have a vendor or internal installation for landscaping services?

The district Grounds dept does its own installation when it's outside of Bond construction.

3. Can you explain the warranty of the plants?

The warranty of the plants includes two years on trees and one year on shrubs.
