MARCH

A NOTE FROM OUR PRINCIPAL

Dear Families,

We're thrilled to announce a fantastic opportunity for our students this past month! Through our Community Schools partnership, we hosted "Glasses to Classes," providing access to essential vision care right here at school. Through this opportunity we were able to serve so many of our students and literally open a new world to them.

COMMUNITY SCHOOLS RESOURCE RM 201

In February the Community Schools room hosted its first Staff engagement event! We planned for 30 staff to attend and 28 showed up! Thanks Zane staff for supporting the Community Schools Resource Room. We are taking all the feedback from our survey and working this month to design and order the needed supplies to stock our room with what is needed most for our students.

MARCH

A NOTE FROM OUR PRINCIPAL CONTINUED

As we continue to prioritize student safety, I want to remind everyone about our pick-up and drop-off procedures. Please be mindful of speed limits both in the parking lot and on surrounding streets. To ensure a smooth flow and minimize congestion, please utilize the designated drop-off zone. For the safety of all our children, please do not leave your car unattended in the drop off zone. We appreciate your cooperation in creating a safe environment for our students.

As you look for opportunities to support our school community don't forget our annual Hoops and Heroes Basketball game March 6, our monthly site council meeting March 13, and PTSA March 4. These are great opportunities to be involved in your child's school experience and we value your input.

Thank you for your continued support and partnership.

Sincerely,

Tammi Wagner Principal
