Under no circumstances shall the provisions of the proposal be subject to negotiation.

30. VENDOR’S RESPONSIBILITY FOR PROPOSAL SUBMITTAL

It is the vendor's responsibility to ensure that their proposal is presented to the Office of the School Business Administrator/Board Secretary and officially received before the advertised date and time of the proposal. If the Department of the Treasury finds that a Vendor has made a certification in violation of the law, it shall take any action as may be appropriate and provided by law, rule, or contract, including but not limited to, imposing sanctions, seeking compliance, recovering damages, declaring the party in default and seeking debarment or suspension of the party.

The Board has provided, within the specifications, a Certification on Non-Involvement in Prohibited Activities in Russia or Belarus Form for all persons or entities that plan to submit a bid, respond to a proposal, or renew a contract with the board, to complete, sign and submit with the proposal. The Certification on Non-Involvement in Prohibited Activities in Russia or Belarus Form is to be completed, certified, and submitted prior to the award of the contract.

33. STATEMENT OF OWNERSHIP

No corporation, partnership, or limited liability company shall be awarded any contract nor shall any agreement be entered into for the performance of any work or the furnishing of any materials or supplies, the cost of which is to be paid with or out of any public funds, by the State, or any county, municipality or **school district**, or any subsidiary or agency of the State, or of any county, municipality or school district, or by any authority, board, or commission which exercises governmental functions, unless prior to the receipt of the bid or accompanying the bid, of said corporation, said partnership, or said limited liability company there is submitted a statement setting forth the names and addresses of all stockholders in the corporation who own 10 percent or more of its stock, of any class, or of all individual partners in the partnership who own a 10 percent or greater interest therein, or of all members in the limited liability company who own a 10 percent or greater interest therein, as the case may be. If one or more such stockholder or partner or member is itself a corporation or partnership or limited liability company, the stockholders holding 10 percent or more of that corporation's stock, or the individual partners owning 10 percent or greater interest in that partnership, or the members owning 10 percent or greater interest in that limited liability company, as the case may be, shall also be listed. The disclosure shall be continued until names and addresses of every noncorporate stockholder, and individual partner, and member, exceeding the 10 percent ownership criteria established in this act, has been listed.

The Statement of Ownership Form included shall be completed and submitted with the proposal. **Failure to submit the disclosure document shall result in the rejection of the proposal as it cannot be remedied after the proposals have been received.**

34. SUBCONTRACTING; ASSIGNMENT OF CONTRACT

Contractors, service providers, and all vendors with whom the Board of Education has an executed contract may not subcontract any part of any work done or assign any part of a contract for goods or services for the Board without first receiving written permission from the School Business Administrator.

Contractors, service providers, and vendors using subcontractors assume all responsibility for work performed by subcontractors. The Board Business Office may require the following documents to be secured from all approved subcontractors:

- Insurance Certificate as outlined in the proposal specifications;
- Affirmative Action Evidence as outlined in the proposal specifications;
- New Jersey Business Registration Certificate; and
- Other documents may be required by the Board of Education.

In subcontracting cases, the Board of Education shall only pay the prime contractor. It is the sole responsibility of the prime contractor to ensure that all subcontractors are paid. The Board of Education shall not be responsible for payments to subcontractors and shall be held harmless against any or all claims generated against prime contractors for non-payment to subcontractors. Transportation carriers hired by the vendor to deliver goods and materials are not considered to be subcontractors.

35. TAXES

As a New Jersey governmental entity, the Board of Education is exempt from the requirements under New Jersey state sales and use tax (N.J.S.A. 54:32B-1 et. seq.), and does not pay any sales or use taxes. Vendors should note that they are expected to comply with the provisions of the said statute and the rules and regulations promulgated thereto to qualify them for examinations and reference to any and all labor, services, materials, and supplies furnished to the Board of Education. Vendors may not use the Board's tax-exempt status to purchase supplies, materials, services, or equipment.

A vendor may qualify for a New Jersey Sales Tax Exemption on the purchase of materials, supplies, and services when these purchases are used exclusively to fulfill the terms and conditions of the contract with the Board of Education. All vendors are referred to the New Jersey Division of Taxation—Tax Bulletin S&U-3 for guidance. Again, vendors are not permitted to use the Board's tax identification number to purchase supplies, materials, services, or equipment.

36. TERMINATION OF CONTRACT

If the Board of Education determines that the vendor has failed to comply with the terms and conditions of the proposal upon which the issuance of the contract is based or that the vendor has failed to perform said service, duties, and or responsibilities in a timely, proper, professional and/or efficient manner, then the Board shall have the authority to terminate the contract upon written notice setting forth the reason for termination and effective date of termination.

Termination by the Board of the contract does not absolve the vendor from potential liability for damages caused by the District by the vendor's breach of this agreement. The Board may withhold payment due to the vendor and apply the same towards damages once established. The Board will act diligently in accordance with governing statutes to mitigate damages. Damages may include the additional cost of procuring said services or goods from other sources.

The vendor further agrees to indemnify and hold the District harmless from any liability to subcontractors or suppliers concerning work performed or goods provided arising out of the lawful termination of this agreement.

37. WITHDRAWAL OF PROPOSALS

- **Before The Proposal Opening**

The School Business Administrator may consider a written request from a vendor to withdraw a proposal if the School Business Administrator receives the written request before the submission time of the proposal opening. Any vendor who has been granted permission by the School Business Administrator to have their proposal withdrawn cannot re-submit a proposal for the same advertised proposal project. That vendor shall also be disqualified from future proposals on the same project if the project is re-advertised.

- **After The Proposal Opening**

The Board of Education may consider a written request from a vendor to withdraw a proposal if the School Business Administrator receives it within five (5) business days after the proposal opening. A request to withdraw a proposal after the specified number of days will not be honored.

The contractor/vendor who wishes to withdraw a proposal must provide a certification supported by written factual evidence that an error or omission was made by the contractor and that the error or omission was a substantial computational error or unintentional omission or both.

The request to withdraw a proposal after the proposal opening may be reviewed by the School Business Administrator, and/or the Board Attorney and a recommendation will be made to the Board of Education. If the Board of Education grants permission to withdraw the proposal, the contractor/vendor shall be disqualified from quoting on the same project if the project is re-advertised.

If the contractor/vendor fails to meet the burden of proof to have the proposal withdrawn, the request to withdraw the proposal will be denied, and if the contractor/vendor fails to execute the contract, the bid guarantee will be forfeited and become the property of the Board of Education.
