Dr. Dario Sforza, Principal

Mr. Marc Caprio, Supervisor of Guidance

Bergen Experience (formerly BCC Prep) Program & Application

Objective: The College Prep Program is a unique educational opportunity designed to provide high school seniors with a true college experience by earning academic credits during the afternoon hours at Bergen Community College. Bergen Experience students will attend their Becton Regional High School classes in the morning and return to school in time for extracurricular activities. Student may earn up to 18 highly transferable college credits through BCC Prep by the time they graduate high school. **Students are responsible to pay the per credit rate of \$199 (estimate).**

Application: Complete and return Option 2 Application to the Guidance Department. Once returned to guidance, you will get information on how to apply to BCC. You cannot move ahead with the process until you have completed the application for BCC and receive a BCC student ID #. Students must have an 80 or above Cumulative GPA to be eligible for this program.

Testing: Students will take the ACCUPLACER test to determine a student's level in English, mathematics and elementary algebra. (if taking a math or English course). The Accuplacer examination is a computer delivered exam. Students are required to take the ACCUPLACER test on their own prior to registering for courses. We encourage students to test between April and May. No appointments necessary- click the link to view Bergen's testing calendar <https://bergen.edu/testing/>

*Please reach out to Mr. Caprio for further information on this.

Transportation: *It is the responsibility of each student, not BRHS, to arrange for their own independent transportation to and from Bergen Community College.* If a sufficient amount of students are participating in the Bergen Experience Program, transportation might be provided by Becton.
