We need more funding for public education.

DID YOU KNOW?

The current Special Education funding model has been in place since the 1990s and does not consider the intensity of specialized services required.

Cypress-Fairbanks ISD is doing everything on their power to keep our kids safe. The upgrades to campuses are designed to keep the bad guys out until the good guys arrive. Average response time is somewhere around 3 minutes if not already on campus.

ERIC MENDEZ
CFISD CHIEF OF POLICE

"The door prop alarms are to notify the campus staff when a door is left open."
