SCHOOL COUNSELOR

A note from Mrs. Ragghianti:

This month, the guidance lesson's focus will be **honesty** and **KINDNESS**! In your child's classroom this month, I will review and talk about being a **BUCKET FILLER**! Since 2006, more than 2 million copies have been sold of **Have You Filled a Bucket Today?** The book uses the metaphor of an invisible bucket to illustrate the idea of filling someone's bucket with kindness and positive actions. Reminding us all that showing kindness and appreciation of others goes a long way to making this world a happier place for everyone, including ourselves.

Your School Counselor,
Yesenia Ragghianti

Coping Skill: 5 Finger Breathing

Use the two different See graphic below showing emotions for PK-2 with 4 graphics and grades 3-4 with 4 different elements. After naming how you feel, use deep breathing for mental wellness.

They can also learn to appreciate what they have and the people around them; essentially, it helps them focus on positive aspects of their lives.

PurposeFULL People

Cooperation Overview

This month's focus is Cooperation. One way to think about Cooperation is "working together to reach shared goals." As a family, talk about how this definition applies to how you work together at home. What are some goals you share?

Cooperation is 1 of 3 traits we will focus on throughout the year that helps students

Be Kind. Across grade levels, students will be developing skills like perspective-taking, conflict resolution, and leadership.

PurposeFull Pursuits

Have some fun connecting as a family this month while practicing Cooperation. Here are 2 "PurposeFull Pursuits" you can complete together!

- #1 Cooperation is working together to reach shared goals. This week, plan a time where everyone needs to work together to accomplish a shared goal like cleaning up the space you live in or making a meal together. Make sure everyone has a role to play with specific tasks. When the project is complete, discuss and celebrate how each person's part was important to the end result.

- #2 Find a time to sit in a circle together and celebrate all the ways you have seen each other practice Cooperation. Take turns sharing responses to the following prompts or make up your own! Remember to practice Cooperation as you take turns and listen to each other.

Celebration Prompts:

- What family member(s) do you want to celebrate for their Cooperation this month?
- What is 1 way you were a leader this month? What is 1 way you were a helpful follower this month?

Conversation Starters

- What does Cooperation mean in your own words?
- What is 1 way we can practice Cooperation as a family?
