

IMPORTANT REMINDER CONCERNING IMMUNIZATIONS AND LEAD TESTING

Proof of Immunization and Lead Testing is required at time of enrollment. **Contact your pediatrician for necessary documents including your child's immunization record and lead certificate.** If you need additional information beyond what you are able to obtain from your pediatrician regarding immunizations or lead testing, the information below may be helpful.

Immunization Information

- You may use the Maryland Vaccine MyIR Mobile website to obtain an immunization record with your child's current immunizations <https://myirmobile.com/>

- Enter the website and create an account
 - Print the immunization record
 - Present the record to school during enrollment
- If you need additional vaccines, please follow up with your pediatrician or the health department prior to the first day of school

Lead Testing

- You will find a lead testing certificate form which needs to be completed by a healthcare provider by accessing the link below:
