SIGN-IN SHEET was shared at the meeting and all attending members signed in.

Time: 2:30pm - 3:30pm

Meeting called to order 2:38.

- 1) Approved all previous minutes with corrections to names
- 2) Reviewed upcoming events including gravy bowl - 8th grade indoor football competition the day before Thanksgiving
- 3) Going over calendar draft - made a few suggestions
- 4) DCAP - asking for us to give feedback by 11/20
- 5) School Improvement Plan - Silas did a first round of what we want to track
- 6) 3:10 - Kelly had to leave for after school bus duty
- 7) Talked about Chromebook use. Mr. Houde was able to get some Chromebooks so 7th grade RTIs can access some in the 8th grade wing. Hopeful that Dr. Herrmann can sign out chromebooks to borrow so that the borrowed ones are tracked.
- 8) Budget - talked about Form 1 needs including maybe trading Head of Guidance with a Director of Sped for 7-12. If we were to get a Director of Sped and an Admin Assistant, Kelly should be able to do an intervention center so we wouldn't need a separate person for this. We are changing sports from intramural to interscholastic. Buses and uniforms and refs are part of participation fees. Coaching stipends and such need to be

negotiated. Going to try to get interscholastic in nonathletic as well. Open Sci Ed curriculum started with a launch grant. Now we need to make sure the budget goes in for replenishables.

9) Meeting adjourned at 3:43.

Respectfully Submitted,
Silas Coellner, Principal
