

Dangers of Fentanyl

March 2025

Advisory preview and panel discussion Tuesday, March 25, 2025 [Eventbrite Registration Link](#)

The following community organizations will be represented to share resources:

ASPIRE: *The ASPIRE Program at El Camino Health provides an intensive outpatient program (IOP) designed for middle school students, teens, and young adults. The programs help participants gain practical coping strategies using dialectical behavior therapy (DBT) and expressive arts. ASPIRE fosters a validating and supportive environment, empowering individuals to build healthy behaviors, resilience, and strong interpersonal skills for long-term well-being. For a free assessment contact: 650-988-8468 or visit: www.elcaminohealth.org*

Allcove: *Allcove Palo Alto is a place for young people to access a range of services that include mental health, physical health, substance use, peer support, family support, education and employment services. We serve young people ages 12 to 25, providing a space for them to access our services, resources and support for friends, family and the larger community, as well as attend our workshops and events aimed at community and skills building. Allcove Palo Alto is located in midtown Palo Alto and is open Monday-Friday, 10am-7pm. For more information, call 650-798-6330.*

The Harm ReduQion Project: *The Harm ReduQion Project focuses on low barrier, trauma-centered support for folks who use substances and are part of the LGBTQ+ community. This includes access to Naloxone, fentanyl testing strips, safe sex kits and support. The Harm ReduQion Project works to connect with folks to do staff trainings, community trainings, and other workshops and presentations around all things harm reduction. Contact Info: 408.961.4497 / harmreduqion@hhs.sccgov.org*

Dangers of Fentanyl

In partnership with Kaiser Permanente, FUHSD is using this advisory time to educate students and staff on the Dangers of Fentanyl and its reversal with Naloxone. Most of the schools will be participating in the Live Webinar which includes an opportunity for questions and answers to one of the Kaiser staff members who compiled the information for the video. Other schools will be provided access to the recording.

The Live Webinar with Q&A will be presented to Fremont High School, Homestead High School and Monta Vista High School on March 26, 2025. The recording of the video and Q&A will be shown to Cupertino High School and Lynbrook High School on April 4, 2025.

Here is the link to the YouTube video that will be shown
