Dear Wausau School District Community:

We are reaching out to you with an important consolidation update. First and foremost, we appreciate your continued patience and understanding as we work through the planning process to ensure this is done well and collaboratively every step of the way.

As we promised in our last email message to you – elementary principal placements would be completed by February 11th and 12th and that's why we're reaching out to you today.

Here are the elementary principal placements for next school year:

- John Marshall: Andy Reiche
- Maine: Laura Simonson

We want to thank all of our principals, and teaching staff, for their commitment to the district and we are confident that they are going to do fantastic work in their new positions. We are fortunate to have amazing principals and staff throughout all of our district. They're ready to support your students leading up to, during, and after consolidation. If you have any questions about any of this, do not hesitate to reach out to us and/or your child's principal. Our contact information is below.

Lastly, We also continue to update our [Consolidation web page](#) with new information as it becomes available and if questions come up, don't forget that we have a spot for you to submit those. Just [click here](#) to do that. Please know that we'll continue to send you consolidation updates via email as they become available.

We recognize that change can be difficult. Please know that we are all here to support you and your students through this process and are excited for the future of our district.
