NYS Wellness Policy Assessment Tool

This template provides information on wellness policy goals and practices within the LEA. Use this tool to track progress and gather ideas on ways to create a healthier school environment. A separate assessment should be completed for each school. The wellness policy and completed assessment must be made available to the public.

Yes	No	Nutrition Standards for Competitive and Other Foods and Beverages		
		The local school wellness policy addresses compliance with USDA nutrition standards (commonly referred to as Smart Snacks) for all food and beverages sold to students during the school day including:		
		as a la carte offerings in school stores in vending machines		
		as fundraisers		
		Nutrition standards are followed for food/beverages served at school parties, celebrations, events, etc.		

Notes and future goals on nutrition standards for competitive and other foods and beverages:					
Yes No	Yes No Wellness Promotion and Marketing				
	Marketing on the school campus during the school day is only allowable for those foods and beverages that meet Smart Snacks standards.				
	Steps are taken to address strategies to support employee wellness.				
	Fundraising is supportive of healthy eating by emphasizing the sale of healthy food items or of non-food items.				
	Healthy meal choices are offered and being promoted in the school meal programs.				
	Farm to School activities take place at the school such as having a school garden, taste-testing local products, and educating students in the classroom and on field trips about local agriculture.				
Other way	ys wellness is promoted at the school:
