Tyrone Area School District

Parental Transportation Request

The Tyrone Area School District provides transportation to and from all athletic contests for those student-athletes participating in scheduled athletic events. All participating students shall use this transportation so provided and must travel to the event on the athletic bus.

Provisions are available, however, to have students excused from traveling home on the school-provided transportation for a scheduled athletic event. Under the provisions, students may be released from the provided transportation only with permission from the coach responsible for the student involved in the scheduled activity, and the coach may only grant this request with the written permission of the parent(s)/guardian(s). Each student shall be released only to the parent or guardian of the student involved. (Proxy parents are not allowed.)
