## **MACCRAY School Board Selects Superintendent**

**Clara City, MN**— At a special board meeting on March 24, 2025, the MACCRAY School Board unanimously voted to select Adam Holm as the district's next superintendent.

“We believe Adam has the skills and abilities needed to lead the MACCRAY School District as our new superintendent. He has demonstrated through his experience that he is dedicated to the field of education and believes strongly in creating a healthy culture with our students, staff and communities. We believe that Adam has the necessary leadership and communication skills to continue to build on past successes and move our district forward,” said Julie Alsum, MACCRAY School Board Chair

Adam is currently the Director of Community Education for Saint Cloud Area Schools. "I am truly honored and excited to be named the superintendent of the MACCRAY School District. This opportunity allows me to work alongside a dedicated team of educators, students, and the community to build a brighter future and ensure every student has the tools and support they need to succeed. I look forward to the journey ahead and the positive impact we will make together!" added Holm.

The school board will be conducting negotiations with Holm and a contract is expected to be approved by the school board at a March 31 board meeting.

The pending start date for Holm will be July 1, 2025.
