- Conduct two title 1 annual meetings virtually with flexible hours and times conducive to parents
- Provide parents with a system to make inquiries, suggestions, and complaints
- Provide information, in person training and assist parents in working with their children at home and school
- Provide information and training thus providing a more inviting campus along with goal minded students.
- Enrich a healthy atmosphere between student, parents, community, and business to empower our families
- Provide the parents COMPACT to parents, which informs parents, students, staff, and administration on shared responsibility for student success. The compact is in English & Spanish and is posted on our school website, Social Media, and Two Local business. This document outlines how parents, staff and students will share the responsibility for improving student achievement.
