 - a. **Unfortunately, we cannot accommodate an extension to that date. However, we have extended the deadline to April 7, 2025.**
5. Are there any specific challenges Pflugerville ISD is having with the incumbent PBM? What has PISD shopping for PBM services?
 - a. **Pflugerville ISD has not encountered any significant issues with the incumbent Pharmacy Benefit Manager (PBM). However, in line with their fiduciary duty and responsibility to the benefits plan, PISD periodically takes their benefits to market. This practice ensures that they are consistently evaluating options and securing the best possible value for their employees. By shopping for PBM services, PISD aims to maintain competitive pricing and quality service, ultimately supporting the well-being of their staff and the sustainability of their benefits program.**
6. Are there any specific needs that we should make sure to address in our response?
 - a. **For Pflugerville ISD, the top priorities are financial sustainability and maintaining competitive benefits for employees. By concentrating on these critical areas, vendors should assist Pflugerville ISD in upholding its commitment to fiscal responsibility while promoting the well-being of its staff.**
7. Form J doesn't really apply to the services we are providing. If we do not sign Form J, will this be an issue?
 - a. **Print on there that this does not apply to services you will be providing.**
