

HORIZONS AT ROWLAND HALL

June 9 - July 18, 2025

Horizons at Rowland Hall helps reduce summer learning loss in math and literacy by providing public school students 6 weeks of guided instruction and joyful enrichment experiences.

Summer 2025 will launch with a cohort of rising 2nd graders.

- Every Horizons student learns to swim, building confidence to face challenges in and out of the classroom.
- We provide two nutritious meals, snacks, and all transportation for this tuition-free program.
- Each classroom features a 10:1 student-teacher ratio with a teacher, teaching assistant, and intern, as well as a program coordinator and volunteer.
