

FROM THE PRINCIPAL

It's been a great start to Term 3, students are settled into their classes, learning activities and the adventures of school life.

As a school, we encourage kids to attend school daily, as every day definitely counts.

Given that FFL only runs 4 school days a week for students, which is common amongst SAS schools, it's even more important that students come to school, ready to learn, every day. Please continue to support us by encouraging kids to go to bed at a reasonable hour and limit their digital use so they are ready to put their best foot forward when they arrive at school.

We are extremely proud of all our students and their efforts in and out of the classrooms. Even when things are challenging and confronting, they are willing to challenge and confront their fears, persevere, and have a go.

Congratulations to all our amazing students who have received an FFL Value Award this Term and for those who are storing up their Gold Cards ready to cash in for prizes!!

BOWLING

Every Thursday this term, FFL students and staff are competing for strikes and spares in 10 Pin Bowling. The competition is fierce and everyone is doing their best to earn points for their teams. So far, it has been a lot of fun and students are improving their skills from week to week as they fine tune their bowling spin or their aim for that lone pin in the corner still standing. We are looking forward to seeing which team will take out the FFL trophy at the end of the term.

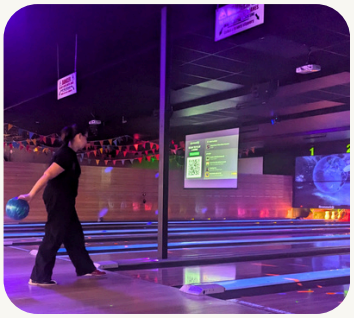

LOGAN SCHOOL BASED POLICE OFFICERS PRESENTATIONS

We were blessed to have the Logan School Based Polices Officers come out over the last couple of weeks to present 2 important sessions:

1. Cybersafety- staying safe online and keeping yours and others privacy.
2. Living Life without a Knife- staying safe and understanding the impacts of knife incidents

Please ask your kids what they learnt and got out of these sessions and their understandings of the laws, regulations, and protections around these issues.

FFL STAFF UPDATE

After almost 2 and a half years, Ms Char has made the decision to finish up with FFL. We thank Ms Char for her contribution to the school during her time here and her support to all students whom she will miss dearly. We wish Ms Char and her family God's blessings and all the best for the future.

We would also like to extend a warm welcome to our new Teacher Aide, Mr Lance who comes with a broad skill set in working with young people, we are so blessed to have you join our FFL Community!!!

CHAPPY CHAT

Albert Einstein said "A day without learning is a day wasted"
The wholesome outcome of learning is that we are then able to participate and contribute, in a positive way, to the world around us. Good character is the heart of this, learned through nurturing growth; physically, mentally, spiritually and emotionally. What we are assured of is; that God knows best.
Proverbs 1:7 "The fear of the Lord is the beginning of knowledge"

WORK EXPERIENCE

Work experience is a fantastic way to gain skills and exposure to the roles and responsibilities of employment. This Term Christopher has taken on work experience at Simply Beans, a local coffee shop, developing skills in the service industry.
This has been a fantastic opportunity, building confidence and knowledge. We look forward to seeing more of our students engage in placements around our community in the near future.

RAGE PROGRAM

Chris and Chappy led students on a 6 week program reflecting on the impact of anger on our lives. How to recognise it in ourselves, and stop it getting out of control. Letting go of our anger, forgiveness and assertive control are key to a healthier life, and less dangerous to ourselves and others.
James 1:19-20 "Know this, my beloved brothers: let every person be quick to hear, slow to speak, slow to anger; for the anger of man does not produce the righteousness of God."

IMPROVING MENTAL HEALTH

Another focus area with students struggling has been around improving Mental Health and Mental Health awareness.
You will find contact numbers for several support agencies that we use to support our students and train our staff. Please keep them on hand, if ever needed.
