TERM 2 DATES
Term 2 starts Tuesday the 16th of April and ends Thursday 13th of June 2024

2024 TERM 1 HAS BEEN FULL OF EXCITEMENT, NEW OPPORTUNITIES, AND SOME CHALLENGES!

ICPs- Individual Curriculum Plans
All students have had their ICPs revised. These were emailed home, so please have a look through and provide feedback if there are extra strategies you recommend which we could implement to further support you child. All parents and carers are invited to come in and meet with staff around their child's ICPs. Please contact us if you would like to. More changes are likely to be made from our end and sent home.

Cooking - We have been cooking up a storm at FFL! Students have had lots of opportunities to improve their culinary skills. Some of our menu dishes have included Lazy Man's Haystack, Sapasui, Spaghetti Bolognaise, BLT Burgers, and Butter Chicken with Rice, and more... so yum!

SETPs- Some of our Year 10-11 senior students have started the process of developing their Senior Education Training Plans- this will help students to determine their learning pathways and subjects as they navigate the next 2-3 years left while at school. Another exciting development for senior students is that some will now start to enrol and connect into Distance Education remote subjects that they have a particular interest in or that line up with their SETPs such as Certificate II in Audio Digital Technologies, Year 10 Science, or Certificate III in Visual Art. We will as always keep in touch with families regarding these exciting plans and opportunities.

SP DIRT

Sport- Students have enjoyed a variety of sporting opportunities this Term including- Zone1 Fitness, Fernwood Fitness, and Badminton.
Students have also had opportunities to participate in a swimming program provided for by the school. As mentioned previously, students who did not take part in the swimming program, will not be participating in the end of Term excursion due to water safety concerns.

Cross Country- Well done and congratulations to all our students who took part in the Distance Education Cross Country held at Runaway Bay on Wednesday 20th March!

Congratulations to Jeremiah, Zac, Zane, Cameron, and Harleigh. You are all amazing!!

ART- Students have worked really hard to get their printing finished and they look amazing!

SCHOOL REMINDERS

1. Bus Behaviour- Students who misbehave on buses and refuse to follow instructions, will be removed from this service. We cannot compromise the safety of the drivers, passengers, other pedestrians, or motorists. Please speak to your child to ensure they are making good choices on school vehicles so they can continue to use this service.

2. Phones- Phones are not to come to school with students. The only exception for students bringing phones in to school is where an agreement has been made between parents and the school for students who are picked up and dropped off in public areas. These specific students are to hand phones in to the bus driver as soon as they get on the bus. These will be kept in the office and given back by the driver when the student is dropped off at the end of the day.

Students who choose to ignore these instructions and sneak phones in will be given consequences, including formal warnings leading to suspension. Please encourage your child to honour the school expectations and make good choices.

3. Excursion- Our FFL School excursion to Gold Coast Wake Park is coming tomorrow! Students will get to end Term 1 with water activities including inflatables, and cable skiing! Students who have consistently participated in the FFL Term 1 Swimming program will be able to participate in this awesome opportunity.

4. Value Certificates- Congratulations to all students who have received a certificate this Term! Your hard work, commitment, effort, and contribution to FFL and our Values is always noticed and appreciated.

Keep up the awesome work!!!

Praying you all have a safe and wonderful school holiday, we return to school on Tuesday 16th April.

Our FFL Vision
C.R.E.A.T.E. &
Achieve
Through Christ

The Key to how we develop our relationships here at Flexible Learning is with 'Unconditional Positive Regard'.
In other words, we just keep loving our students no matter what, where and how they are. We do this in the strength we get from knowing Jesus
.
1 John 4:16
We know how much God loves us, and we have put our trust in his love. God is love, and all who live in love live in God, and God lives in them. (NLT)
