**January Conferences:** Thank you Thunder Mountain families, for making our January conferences such a success! We truly appreciate your dedication to our students and their growth. Our teachers loved the opportunity to connect with you during conferences, celebrating achievements and discussing next steps for learning. Your commitment to partnering with us ensures that every child continues to thrive. We are grateful for the time you took out of your evening to support your child's education, and we look forward to continuing this journey together!

### **New Construction Update:**

Dear Thunder Families,

The housing development to the south of our school will be doing construction on the path and around the gate behind the playground. The back gate and pathway will be closed for one month. We just wanted to give you a heads up to be able to find an alternate route to school if you come that way.

Please let us know if you need anything!
