 **And at the end of the 4th quarter of the 7th Grade Superbowl** the score was 19-16 with the.....Wait a minute, Superbowl? 19-16, sure does sound like a football game, but don't be fooled folks, the slugger fest that took place yesterday was in fact Game 3 of the **World Series in the 7th Grade Wiffleball Tournament of Donuts!** We're talking a total of 13 homeruns between both teams and 9 if you exclude Mr. Griffin (cough cough). The **Griffindor Traffic Cones** stayed in the lead each and every inning in their game 2 match-up against the **Carr/Morris Green Goblins**. But with every inning the Goblins hung in there slowly accumulating runs in the bottom of each inning. In the top of the 5th the Traffic Cones put up 10 runs to go ahead 19-5, and in what would have been, could have been, the greatest comeback of all time, the Goblins stacked on their own 11 runs making the Traffic cones very nervous. But, alas, the runs were too little, too late and the **Griffindor Traffic Cones** retired the Goblins before the last 3 runs would have tied the game to become this year's **2025 7th Grade Wiffle Ball Tournament of Donuts Champions!** Congratulations to all.
