

# Maximize Your Savings with miCare Clinics

Enjoy no-cost healthcare services with miCare clinics under your High-Deductible Health Plan. Our clinics work seamlessly with your health plan, ensuring you make the most of your health benefits.

## CLINIC HIGHLIGHTS:

**No Out-of-Pocket Costs:** When you visit a miCare clinic, you do not have to pay for any services, labs, or prescriptions. This means no copays or out-of-pocket expenses for you!

**In-Network Provider:** miCare is an in-network provider, which means seamless integration with your plan.

**Referral to In-Network Providers:** If needed, our staff will refer you to in-network providers for specialized care, to receive the necessary treatment without additional costs.

**Telemedicine:** Get convenient access to healthcare from the comfort of your home.

**Diabetic and Nutritional Education:** We offer referrals to diabetic educators and nutritional counseling without any limits on visits, all at no cost to you.

**Prescriptions:** We can dispense limited acute prescriptions directly from the clinic, saving you time and money.

**And don't forget - the deductible for your plan starts over on July 1, 2026!**
