

MIDDLE SCHOOL CTE ADVISORY BOARD

2024-25 MEETINGS

REGISTER NOW

MEETINGS VIA ZOOM

Visalia Unified School District's CTE Department is designing a new middle school CTE Career Experience elective course for the 2025-26 school year. We are seeking educators and industry partners to provide insight and guidance on aligning the course to our CTE Pathways and Linked Learning Academies, post-secondary learning opportunities such as College of the Sequoias, and emerging job opportunities unique to our region. Virtual meetings will be structured to network, engage with fresh data, and provide input on course content and projects. For more information, please email Amy Frame at aframe01@vusd.org.
