Request for quotes

Surveillance camera purchase and installation

Craven County School System

No equipment substitutions are allowed for consideration

The Craven County School System is requesting quotes for the following surveillance camera work:

West Craven Middle School

515 NW Craven Middle School Road

New Bern, NC 28562

SCOPE OF WORK

- West Craven Middle
    - **Salient VMS** is installed with clean, point, focus and label all cameras properly.
    - Qty 49 cameras, install a new Salient VMS server with RAID 5 storage. Server built for 4MP resolution, 30 days retention, 15fps/5fps dual stream recording. with 10% growth factored in.
    - Once the new server is online verifying functionality, map out, clean, point, focus, and label cameras as needed for optimal viewing and to put the cameras in proper viewing order on the new server. The quote will require 2, 16 channel encoders to replace the existing encoder.
    - The quote would require 3 Year SMA and covers the warranty of the server for 3 years. All new system components will be installed where the old equipment is located.
    - Removal the old equipment in the IT closets during the process and turn it over to the owner.
    - Site visits are required to verify all equipment and work needs.

Ben D. Quinn Elementary School

4275 Dr. M.L.K. Jr. Boulevard

New Bern, N.C. 28562
